### Canyon Lake Men's Golf Club Mission Statement

- Promote Honesty and Integrity in the game of golf.
- Promote the enjoyment of, and participation in, the game of golf for all members.
- Arrange games and tournaments that are fun, fair and inclusive.
- Provide financial disclosure and administer the Club's assets in a professional and business like manner.
- Promote sportsmanship and care for the golf course

## President's Message *by* **Bruce Wallace**

At our January meeting we approved our 2021 budget and appointed two committees. The audit committee will review the Club's 2020 financial records, and another will review and update our Roster Book for 2021. A cursory review of the By-Laws did not reveal any sections requiring change. We are exploring secure and less expensive electronic methods of conducting our officer's elections which would require a change in the By-Laws. We will re-visit this topic later in the year, after researching our options.

We are fast approaching our first tournament of the year. A perennial favorite, the Sweetheart Couples Tournament is on Saturday, February 13<sup>th</sup>. Please see the flyer in this bulletin or on the Pro Shop's bulletin board. Contact Dan Rawlins, our Tournament Director, if you have any questions. If you want to play and do not have a partner, let Dan know and he will hook you up! There are ladies from the Women's Golf Club that would like to play. Sign-up sheets are in the Pro Shop. If you have not signed up yet, do it now, so you don't get left out of the fun!

We have plans for seven additional tournaments this year and we are planning to have a reprise of the popular Monster Tournament on November 10th! Because November's weekends are already booked, we have decided to conduct it on our normal Wednesday Game Day. It's a chance to test your skills from unusual tee box locations and pin placements that will have you muttering! Although some members renew at different times during the year, most of us renewed on January 1st. If you have forgotten to renew, please act quickly as you will not be eligible to play in the Wednesday Game or Men's Club Tournaments. You will also not be able to post scores from outside play. Be aware that the SCGA now requires a unique email address to log in to the GHIN mobile app and ghin.com. If your spouse or partner is a golfer, they cannot share an email address with you!

You may have noticed that the entire length of the left side of hole #4 is marked with green-topped red stakes as a penalty area. This area is a non-playable hazard. If your ball enters this area, play it just like the right side of hole #9, take a drop where you entered the hazard and add one penalty stroke. You cannot play out of this area!

As you read this bulletin, remember a large amount of the expense of the Bulletin is provided by sponsor's donations with businesses in the community. If you utilize their business or service, please thank them, express your appreciation for their support and let them know you saw their ad in the Bulletin and/or on a tee box during a tournament. They really want to know!

Remember our Board meetings are on the first Wednesday of the month after golf around 1:30 pm in the Magnolia Room. Hope to see you there!  
Play your best, play 'em down and have fun!

**President's  
Message**  
by  
**Ina Pickard**

Here it is, February already and COVID hasn't gone away so we are still limited in what we can do but so thankful that we have our beautiful course to keep us entertained. We are luckier than most.

The most improved players from December to January are KK Beecher, Linda Johnson, Betty Henry, Barbara Spraul and Linda Kamashian. Keep up the good golfing. We had our Beat the Pro tournament on January 19<sup>th</sup>. This is a win-win tournament. You can bet anywhere from \$10 to \$50 that your score will be lower than our favorite pro, Pat Kembal's score. Of course, Pat is playing scratch and we get to use our handicaps. Pat gives us back our original bet in script if we don't beat him and he doubles the amount of script if we do. This year we had 32 ladies sign up and he played two holes with each foursome. Pat shot a score of 81, leaving quite a few lucky ladies as winners.

On February 9<sup>th</sup> we have one of our favorite tournaments, the Valentine Tournament. This is a 4-person scramble. Unfortunately, we are unable to have our usual awards luncheon and that is reflected in the reduced price, but as always, we manage to work around those things and still have fun.

Again, due to COVID, we are not having Board meetings in the Magnolia room. We had been having them on the patio, but it got so crowded we decided in the interest of safety to have our meetings on ZOOM until it is safe to meet again. Nevertheless, your Board is working hard for you. I send out the minutes after they are approved by the Board, so they run about a month behind. Please take the time to read through them. If you have any questions or suggestions we would love to hear from you.

We have had a few complaints regarding slow play. Please keep up with the group in front of you. Fill in your score card when you get to the next hole. If you are unsure which club to use, take a couple with you so you don't have to walk back to your cart to get another club. In many cases you can start lining up your putt while somebody else is putting. If you get behind, two of you can go on to the next hole and tee off while the other two are finishing. And if you are one of the groups that has to wait a bit, please have a little patience and give them a chance to catch up.

On a very sad note, I'm sure you all know by now that Frank Brown, husband of one of our members, Linda Brown, passed away. I omitted it in last month's bulletin but would like to extend our heartfelt condolences to Linda and her family. I'm also sad to report, Ora Peterson, one of our past members, passed away last week. Condolences to her husband Cy and their family. If you hear of a member that is ill or has family that passed away, please let Alice Ramirez know as she is our Sunshine lady this year. In closing, I would like to remind you to please be considerate of others and remember to wear your mask around the Club House.

Ina Pickard, President  
CLWGC

## 18 MAX SKINS

### Player

Robert Sanchez	1 Hole 1
Jerry Watson	1 Hole 13
Mike Sanders	1 Hole 3
Kurt Miller	1 Hole 18
Mike Scheinker	1 Hole 7
Steve McCain	1 Hole 5
Kurt Mascio	1 Hole 9

## 31 MAX SKINS

### Player

Bob Tice	2 Hole 2, 15
Robert Viotti	1 Hole 18
Rodney Smith	1 Hole 11
Randy Schutz	1 Hole 17
Ted Russelle	1 Hole 14
Robert Stanovich	1 Hole 5
Leroy Nelson	1 Hole 8

## Meet Your New Directors

### **Dan Rawlins** – Major Tournaments Director

A Southern California native, Dan Rawlins was born in Long Beach, thanks to the US Navy where his father was stationed. He grew up in Huntington Beach and met his wife Sheri at Marina H.S. in his junior year, she was a sophomore. They were married in 1980, shortly after she graduated and celebrated their 40<sup>th</sup> anniversary this past July. They are the proud parents of a son and daughter and the grandparents of five with a sixth on the way.

Following high school graduation in 1978 Dan worked in the oil fields on a production rig for eight years. In 1986 he moved on to McDonnell Douglas, later becoming Boeing, and entered a five-year apprentice program to become a “block jig and die maker/master plaster pattern maker”. After 15 years at McDD/Boeing he became a licensed contractor and worked primarily in commercial construction, managing large scale projects. He completed his working years with The Irvine Company as a construction consultant, retiring in 2019.

Dan and Sheri purchased their home on the third fairway in 2014 and like many of us were “weekenders” until he retired. Your Major Tournaments Director – **Dan Rawlins!**

### **Dave Nickel** – Green Committee Representative

A native of Wisconsin, Dave grew up on a dairy farm, the oldest of 12 children (they didn’t have a tv on the farm) and arrived in California thanks to the U.S. Air Force, serving four years at Vandenberg AFB. He was a “liquid fuel specialist” and helped develop fuels for the Atlas and Titan missiles. Those streaks we saw in the sky were thanks to his expertise.

Dave and his wife Ann recently celebrated their 50<sup>th</sup> wedding anniversary and are the proud parents of a son and a daughter (they had a tv). They lived in Torrance for over 30 years, during which time Dave worked for McDonnell Douglas, later Boeing, before retiring after 30 years as a Project Coordinator.

He worked on commercial and military planes, his favorites being the MD-80, DC-10 and C-17. Moving to Canyon Lake in 2009, Dave was not one to have “idle time on his hands”. He joined the Canyon Lake Men’s Golf Club (CLMGC) and soon became involved in the Tuesday Work Group (TWG) where he served as Chairman for four years. Now on the Men’s Golf Club board he serves as your representative on the Green Committee.

Your Green Committee Representative – **Dave Nickel!**

### **Jason Jernigan** – Treasurer

Another California native, Jason was born in Sacramento in 1980 and his family moved to Sunnymead (now Moreno Valley) shortly thereafter. He grew up in Moreno Valley along with his four siblings, a sister who lives in Canyon Lake, a half-brother who formerly lived in Canyon Lake and a step-sister and stepbrother. Jason moved here in 2017. He graduated from CSU San Bernardino in 2002 with a BA in Communications.

As a youth, Jason played golf, baseball, football, basketball and rode dirt bikes. In 2004, he won an off-road dirt bike racing championship in the “Big 6 Series”.

The next year he crashed and tore up his knee, had three surgeries and effectively ended his racing career.

Jason started working in the mortgage industry ten years ago as a loan consultant “helping clients with procuring financing in order to purchase or refinance a home”. In his spare time, he has become active in the Canyon Lake community, serving on the POA Finance Committee and now the Men’s Golf Club board.

He says “So now, I work, play golf and irritate all the “old guys” on Wednesday’s”. He says he also enjoys spending time with his girlfriend and her daughter. Your Treasurer – **Jason Jernigan**

# TUESDAY GAME RESULTS:

## Dec 22<sup>nd</sup> Hate-Em minus full HCP

<b>A Flight</b>	<b>3 Players</b>	
Gerry Meeks	1 <sup>st</sup> place	68

# Always Play Your Best

## THE GAME, PLAYER CONDUCT AND THE RULES

In an effort to maintain the integrity of the game and protect our fellow competitors we all have responsibilities to abide by on the course.

Here are some of the things we should do:

- Play the course as you find it and play your ball as it lies.
  - This should be automatic every day.
- Play by the rules and in the spirit of the game.
  - Know the rules and apply them fairly.
- Apply your own penalties if you breach a rule.
  - Honesty and Integrity are key to the success of the game.
- Post your scores promptly and accurately after play.
  - Keep your handicap current.

Player conduct is another key element of the game. All players are expected to play in the spirit of the game by:

- Acting with integrity – for example. By following the rules, applying all penalties, and being honest in all aspects of play.
- Showing consideration to others – for example, by playing at a prompt pace, looking out for the safety of others, and not distracting the play of another player.
- Taking good care of the course - for example, by replacing divots, smoothing bunkers, repairing ball-marks, and not causing unnecessary damage to the course.
- The Board and the Committee has adopted a code of conduct, as defined in the Roster Book, and you could be assessed a penalty for not following the adopted code.

Not everyone knows all the rules but you can ask for help from a referee, the Rules Committee or your fellow competitor. If the matter cannot be resolved in a reasonable time you may play a second ball in Stroke Play only and explain your actions or situation to the pro in the pro shop immediately after play.

There are times when you must make estimates, such as the spot where to replace your ball, the point where your ball crossed the edge of a penalty area or when taking relief under the Rules. You are expected to consider all available information and to make a reasonable judgment in the circumstances.

**DEFINITION OF POTENTIAL** - Is the skill level on any given day or round played that the golfer is capable of scoring? For purposes used for handicapping our Men's Club Major Tournaments, this number will be your Low Index. **WEDNESDAY MEN'S PLAY WILL BE YOUR CURRENT HANDICAP.**

RICK HALSEY - Handicap Chairman

## Tuesday Work Group

The primary responsibility of the Tuesday Work Group (TWG) is to perform volunteer work that will beautify and improve Canyon Lake Golf Course and work with POA management to develop and implement projects that will enhance the golf course and promote play.

The TWG has been in existence for more than 40 years and has members who have served for over 30 years. They typically run 40 to 50 members on their roster with 20 to 30 eager to work each Tuesday. A typical Tuesday will start around 7:30 in the morning with donuts and coffee and a short safety meeting before assignments are given and work begins. They provide between 300 to 400 man hours of volunteer labor on the golf course each month. All work is coordinated with the golf maintenance superintendent and the head golf professional to limit any interference on the course. A few of the routine projects that happen regularly are sanding the divots on the course, trimming bushes and low hanging branches and concrete repair. Even though golfers are responsible to repair or fill their divot many go unattended so the "Sanding Crew" goes out weekly to fill divots that have been overlooked. Overgrowth of bushes and trees are an ongoing challenge on the golf course and the TWG "Trimming Crew" is out in force regularly to assist our maintenance company when needed. The golf course is over 50 years old with failing cart paths in many areas. The "Concrete Crew" does the demolition, grading, forming, mixing and pouring new concrete to replace many of the failed paths.

In addition to their normal efforts to beautify the golf course the TWG crews are responsible, in whole or in part, for many of the major improvements seen on the course today. A few of the notable projects are the setting of the giant boulders at each tee and the mounting of the bronze plaques. They formed and poured the concrete pads and installed all the cement benches on the course. They poured the concrete foundation and assisted with the installation of the post clock at the putting green and they rebuilt the rock hillside below the 14<sup>th</sup> tee box.

The Tuesday Work Group is managed by a seven member Board led by Chairman Sam Theodora. They work closely with the Operations Department managed by Steve Schneider and Field Superintendent Sal Medina.

The Tuesday Work Group is a tremendous asset to the golf course and the volunteers can take pride with their contribution to the community. Membership is open to anyone who would like to volunteer their time, meet new people and share their talents. Joining is easy. Just show up any Tuesday morning at the golf course maintenance yard at 7:30 am for donuts and coffee and be ready to go to work. For more information contact Sam Theodora at 951-244-4474.

## Green Committee

The Green Committee is charged with the preservation, enhancement and maintenance of the golf course and works closely with the Operations Department to fulfill their responsibilities. The Committee consists of seven members and one alternate. Five of the members are appointed by the POA Board of Directors and three selected from major groups in the golf community. The current Chairman is Valerie Montgomery.

The golf course is a living amenity that can change daily and is affected by weather, maintenance and misuse and therefore the Committee works closely with both of the outside vendors that maintain and operate our golf course. The committee chairman meets monthly with the maintenance superintendent along with an Operations supervisor to tour the entire course to identify and record weak areas that will need special attention. The Committee also works closely with the golf professional for rules issues, cart matters or other concerns that would affect play on the course.

The Green Committee also works closely with a volunteer group, the Tuesday Work Group (TWG), on an assortment of projects or repairs that improve and enhance our golf course.

Aside from care and maintenance of the golf course the Green Committee works on larger projects as directed by the Board. Most recently the Committee has culminated over three years of work by identifying irrigation problems and discovering solutions that will improve the turf condition and save hundreds of thousands of gallons of water each year. The Irrigation project design has been completed and bids are currently being reviewed.

Another project the Committee has worked on over the past two years is their review of the maintenance scope of work which is part of the maintenance contract. Many hours were spent evaluating each section and incorporating the drought tolerant areas into the scope. The RFP went out late last year and to everyone's pleasure BrightView was the successful bidder and will continue maintaining our course through April 2026.

The Committee meets regularly on the second Thursday of the month at 1 pm in the Magnolia Room. It is an open meeting to all members of the community and visitors are welcome.

It is that time of year to sign up for the CLWGC Annual Valentine's Tournament--"All You Need is Love....and Golf" on February 9, 2021.

This tournament is one of the most anticipated tournaments of the year with a fun Scramble Format, Prizes are awarded in different flights, both Gross and Net, Closet to the Pin and of course our own Pat Kemball teeing it off for your group on Hole 12.

Form your team today and sign up in the Pro Shop. The Tournament Fee is \$21. The fee does not include Green Fees and unfortunately, we will not be providing lunch due to COVID restrictions.

Look forward to seeing you on February 9th!

Your Valentine Committee,  
KK Beecher, Linda Johnson, Linda Kamashian and Anne Norris

Total Golfers: 20

Page 2

Report Execution Date/Time: 1/21/2021 11:23:08 AM

**Instructions for determining the Most Improved Golfer**

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A:  $24.3 + 12 = 36.3$  | Value B:  $16.2 + 12 = 28.2$

A / B:  $36.3 / 28.2 = 1.287$

Improvement factor: 1.287
