Canyon Lake Men's Golf Club Mission Statement

- Promote Honesty and Integrity in the game of golf.
- Promote the enjoyment of, and participation in, the game of golf for all members.
- Arrange games and tournaments that are fun, fair and inclusive.
- Provide financial disclosure and administer the Club's assets in a professional and business like manner.
- Promote sportsmanship and care for the golf course.

President's Message by Bruce Wallace

How time flies! This month's bulletin finds us nearly half-way through 2021 and our President's Cup/Vice President's Cup is ongoing. Bear in mind that early June also brings with it our Club's Championship Weekend. This year, Tournament Director Dan Rawlins has skillfully structured play for the Club Championship and the Senior Club Championship from tougher tees and the age-limited Super Seniors and Masters Divisions will play from a shorter course. Also included is the Net Championship with flights divided by handicap. Other than the low gross Club or Division Champions, all players are competing in a flighted Net Division. Dan has done a great job of designing our Championship Weekend to be a challenging, but fair event for everyone. Don't forget that on Sunday afternoon, the final four and ties with the lowest combined gross score will tee it up at 1:00pm to determine our 2021 Club Champion. Shortly after concluding Championship Weekend is the final week of play in the President's/Vice President's Cup, completing the week of June 12th. Be sure to stay on top of details as it should be an exciting finish to this year's event!

In addition to my personal appreciation for all the efforts our Board performs, I want to extend recognition and appreciation for all the ladies that volunteer to assist us and help make our tournaments a success. All of their efforts exclusively promote and benefit the Men's Golf Club. When you see them, please be sure to thank the following volunteers for their unselfish and generous contribution of their time and effort in our Member/Guest Tournament. In no particular order of significance, the Club thanks you: Claire Bond, Monique Evans, Julie Faia, Jill Garber, Claudia Pinto, Sheri Rawlins, Debbie Reese, Karen Wallace, and Norma Yarbrough.

The golf course irrigation project is progressing well as they have already completed activity on seven holes. Although irrigation work is anticipated to continue into July, please remember that scoring for any hole out for repairs for any tournament or general play will be a net par for both the game you are playing and for posting to GHIN. The Beautification Tournament was held on Saturday, May 22nd. Sponsored by the Canyon Lake Association of Past Presidents (CLAPPS), the tournament raised money for the beautification of the golf course. Course benches, a Street Clock adjacent to the first tee and putting green, the Lighthouse behind Hole #17, and the expansion of the putting green are all examples of past projects. Thanks to all the members who supported and played in this great event; I am anxiously looking forward to the next enhancement to our "beautiful" golf course!

The month of June also brought resolution of the 2021 POA election. Joe Kamashian, the 2010 Past President of the Men's Golf Club is now President of the POA Board. Please join me in wishing Joe and his team both wisdom and determination as they navigate our community's issues and plan for a successful, thriving future for Canyon Lake. As always, if you feel that there is something that we as a Board could do to make our Club better and more enjoyable, please reach out to me or any of our Board Members to share your thoughts. Remember to play your best, keep it moving, and have fun!

**President's
Message**
by
Ina Pickard

Thank you to the CLIPPS for a great two-day Senior Tournament. Congratulations to all the winners and especially to our overall net winner Barbara Spraul and our overall gross winner KK Beecher. These ladies won over a field of 34 competitors.

We just finished our member/guest invitational. 94 ladies played in this very fun tournament. Thank you to our committee of Ura Furry, Nancy Zimmerman, Kathy Werder, Babette Stubbs, Kathy Homewood and Joanna Spiller for a great tournament. I had a lot of comments from our guests about how beautiful our course is, and that was even though it wasn't at its best due to the sprinkler construction. It's Back: Our Twilight golf is back. It's such a fun and casual tournament. We played 9 holes on Friday evening followed by a great dinner at Road Runner Park. The weather was freezing but the friendships and fun warmed us all. A special thank you to the Yarbroughs for putting this on each year and a thumbs up to Norma, who still managed to run this tournament, with the help of the Sells, while taking care of her husband, who just had surgery the day before. We hope Bruce is feeling better and will be playing golf soon. The next Twilight is Friday, June 18th. Hope to see you there.

The President's cup is scheduled for June 15 and 22nd. This is another chance to win a medallion or a CZ on your existing medallion. It is a net tournament but it is flighted and you can win in your flight. We need all our ladies to support this important tournament. Without enough signups we will have to cancel.

Our most improved player for April is Ura Furry, followed by Kathy Voss, Linda Hudson, Lorrie Applegate and Judy Thompson. Way to go ladies.

I would like to extend a big thank you once again to our wonderful TWG for all the work they do on our course. We are all very proud of our beautiful golf course and it shows. Sam Theodora put out a call to help fill the divots and 60 men and women showed up to help. After a day of filling divots, I got a taste of how hard that is, so thank you to our sanding crew. Ladies, please make sure that you fill your divots and maybe one or two others when you are out playing.

The CLAPPS put on a great beautification tournament. They raised \$6000 to be used for improvements on our golf course. In the past they have put in the benches, the beautiful clock that is by the driving range and the 1 ighthouse on Hole 17.

We all were saddened to hear about our chef, Alex, severely injuring himself last week. On behalf of our Women's Golf Club, we wish him a complete and speedy recovery.

In closing, be sure to check out our very own Facebook page put together by KK. Feel free to post your pictures and events having to do with golf. It's a fun and informative page.

I would like to wish all our dads out there a happy Father's day and a fantastic round of golf.

Shot their Age

Congratulations to Ted Smykla (age 72) for shooting a 70 during the Bandits game on Saturday May 15th. The Bandits play most weekends and are often the first off the tee. This time of year they are playing at 6AM. They play a foursome game between all players and there will often be games within the foursome such as the Rabbit. If you are an early riser they welcome players of all levels.

1st Net – Score 111 – Ina Pickard, Susan Connelly, Victoria Cornille, and Barbara Crosdale.

2nd Net – Score 111 – Elaine Grady, Teresa Welch, Jamie Szper and Gail McCall.

3rd Net – Score 112 – Dawn Haggerty, Rosemary Hunt, Nancy Laccotti, and Dolly Miller.

CLMGC Member Guest Tournament finished May 2, 2021. We had 60 players compete in this year's event. The tournament was reinstated after a few years in hiatus. The tournament kicked off Friday April 30th with check-ins and an optional member guest par 3 contest. Following the par 3 contest, we all met in the Magnolia room for pizza and beer. There were two teams tied for 1st in the par 3 contest: Steve McCain, Rod Thompson, Jesse Beecher, and Jim Brown.

The actual tournament started May 1st and ended May 2nd. The overall Gross winners were Mike Golovich and Robert Jacqmin; they shot a Gross total of 212. The overall Net winners were Huge Wagoner and Steven Wagoner; they shot a Net total of 200.

We had a Horse Race (Derby) on Saturday afternoon. Jon Evans, Gary Bradford, Jason Bader and Steve Smith won the derby. Jon Evans was not going to play in the Derby because he was scheduled to help me. Jon collected the money and Pat did the team pairings. Gary Bradford's partner could not play so Jon stepped in. Jon took care of all the pari-mutual betting and data entries. I did not have a backup for Jon, therefore, I need to give him a special shout out. In my mind, the fact that his team won was kind of poetic justice.

A flight net winners were Chris Kuminkoski and Garry Grace with a total of 203.

B Flight net winners were Van Meredith and Dusty Scheid with a total of 206.

C Flight winners were Oscar Rowland and William Lipka with a total of 202.

Andy Quinn was our photographer on Saturday. I think Andy was helping with the drink station at Bruce's house as well, or maybe he was just hanging out to drink. Either way, it was nice of him to donate his time on Saturday. We had many volunteers help with food distribution and drink stations. Without their help, the tournament would not have been successful. Special thanks go out to Bruce and Karen Wallace for opening their home. We had burritos delivered to their house early Saturday morning and they had Bloody Mary's and orange juice waiting for us; it was awesome! Karen is so sweet, Bruce, not so much. I guess the "opposites attract" is real. Kidding aside, they are both very giving people. I want to give a shout out to Monique Evans, Claudia Pinto, Julie Faia, Jill Garber, Debbie Reese, Norma Yarbrough, Claire Bond, and my wife Sheri Rawlins as they worked their butts off manning drink stations, pickup and delivery of sandwiches, clean up, etc... They also had the boring job of observing hole #17 all day to oversee the \$10,000 par 3 hole in one contest.

My wife and friend picked up all the food for our Saturday night BBQ dinner and helped set up and serve at Road Runner park. We had about 65 people attend the BBQ. I ordered 80 dinners, which included Tri-Tip, Pork Ribs, Chicken, macaroni, potato salad and ICE-COLD BBQ beans. Surprisingly, most of the cold beans were ate. (not me) We gave to go plates to anyone who wanted one. All the food was gone by the end of the night. The food was great all weekend, thanks to our very own Canyon Lake Market. They did all the food on Saturday. I must admit, I was a little worried, especially since they gave us a great deal and they preformed better than I expected.

Special Thanks to Pat Kemball and the shop. They kept things moving and really went the extra mile to help us coordinate the event.

The feedback for the tournament and food has been positive and I am grateful for that.

Thank you for participating,
Dan Rawlins (TD)

A MESSAGE FROM YOUR CLUB HISTORIAN

It's Canyon Lake Men's Golf Club Championship time – **AGAIN!**

June 4,5 & 6, 2021 are the dates of the 49th Canyon Lake Men's Golf Club Championship. The first Club Championship was held in 1972 and was called the President's Cup – Club Championship. The first Canyon Lake Club Champion was Harvey Malcomson, one of the Charter Members of the Club. There's no history as to what he shot or other details on the tournament.

There is some interesting historical information on tournaments over the years. Thirty-five (35) of the Club Championships have been won by a select group of seven (7) multi-time winners. Leading the field with nine (9) wins each are Bert Nafziger (1973,74,75, 77, 78,79, 80, 82and 83) and Brandon Mojarro (2010, 11, 12, 14, 15, 16, 17, 18 and 19). You might call these "bookend dynasties" as they occurred in the first eleven (11) and last eleven(11) club championships.

In between the above champions there were five (5) other multiple winners: Marcus Schonabaum - 6 times, 1994, 2002, 05, 06, 07 and 08); John McCaffrey – 4 times, 1984, 86, 89 and 93; Robert Funk – 3 times, 1997, 99 and 2000; and two wins each for Mark Richey in 1987 and 1988 and Ian Nelson in 2003 and 2004. Ian is also the youngest club champion winning his first championship at age 20 and again the following year.

Perhaps the most memorable winner is Jerry Erickson who in 1998 hit his second shot on number 18, a 6 iron, into the hole for an Albatross (double eagle) to win the tournament. A plaque on the 18 tee commemorates this achievement.

There are currently four (4) members of the Men's Golf Club that are former Club Champions: Brandon Mojarro, Marcus Schonabaum, Robert Funk, Greg Leathley – 1991, plus current Champion, Ryan Hambright.

Who will be the next to be called – Club Champion? *We'll know soon!*

~ ~ ~ ~ ~

Canyon Lake Men's Golf Club Average Age!

On and off over the years, surveys have been conducted to determine the average age of our golf club. The first time this was done was in **1987** when our membership was 283, about 40 more members than it is currently. The average age was **60.2** years. Thirty-four years later, in **2021** the average age of our members had matured to **67.25** years. Ten years ago, in **2011**, we had 286 members whose average age was **67.3** years, 5/100ths of a year older than a decade later (it looks like we're getting younger, even if we don't feel it). But, if you go back twenty years, in **2001** with 451 members, the average age was **64.3** years and you start feeling older. We currently have two members that are our most senior at 95 years old during 2021: Gene Brown and Tom Steinle, both of whom can be seen weekly on the golf course. Our youngest member is Junior Member Nixon Lauritzen who turned 15 in April.

Trivia!

As a follow-up to our two longest members, 50 years each, Gene Brown and Jim Lippen, our third longest continuous member, with 39 years is Phil Coughlin.

~~~~ JUNE 2<sup>nd</sup> CUT-OFF DATE! ~~~~~

## Red Shirt Friday

A subset of the Men's Club play most Fridays starting between 7AM and 8AM depending on the time of year. They play a combination of closest to the pin on par three holes, net skins based on half pops, and a partner's blind draw. The size of the group varies from 20 to 30 players per week. You will see the participant wearing red shirts. The red shirts are an outward sign of support for our military. This is a national movement that has been around for many years to recognize and support our military.

This history has been assembled from multiple sources.

It's a tiny act that means much more than people seem to realize. On Fridays, civilians back home wear an article of red clothing — a shirt, a tie, anything — as a reminder to all to *Remember Everyone Deployed*. These Fridays became known as R.E.D. Friday.

Today, you'll see this tradition honored by most military family members, and supporters of the troops, but it actually got its start about a dozen years ago. Let's talk about how this patriotic way of showing your support for the troops that are in harm's way got started and why it's an important movement.

There are actually two competing origin stories of this unofficial trend. The first says it all began in 2005 with a specific email that recipients were supposed to forward to others.

That email had a very polite snippet in it for a good cause:

If every one of our members shares this with other acquaintances, fellow workers, friends, and neighbors, I guarantee that it will not be long before the USA will be covered in RED — and make our troops know there are many people thinking of their well-being. You will feel better all day Friday when you wear RED!

Now, there's no telling if this chain email tactic is really what got people wearing red on Fridays, but if it was, it has to be one of the only times that people actually read one of those chain emails.

The tradition may not entirely be an American concept, but the sentiment is the same. Our brothers to the North still have troops in harm's way, too.

In March, 2006, another more-tangible movement began in Canada that implored subscribers to wear red to support the troops who are deployed. Now, there's no telling if this movement got its start from the previously-mentioned email chain, but they *do* credit it as being an "American initiative."

Military spouses Lisa Miller and Karen Boier organized an event and rallied many of their fellow Canadians to show up wearing red. While the "RED" is the color that fits the acronym, it also happens to work perfectly with the Canadian flag. These events gathered steam and grew continuously until, eventually, its reach extended all the way up to the Canadian Prime Minister, Stephen Harper. On Sept 23rd, 2006, Harper led a rally of thousands in a show of solidarity for the Canadian soldiers deployed to Afghanistan as part of the Global War on Terrorism.

RED Fridays seem to wax and wane in terms of popularity among civilians, but the core of the movement is important: to Remember Everyone Deployed. The Global War on Terrorism is now officially older than troops eligible to enlist and serve in that same war — it's important to remember that we've *still* got men and women out there fighting for us.

It's not hard to show your support for the troops: Simply pick something red from your wardrobe and be ready to wear it on Friday, volunteer your time organizing care packages for troops who still need essential items, or write to a deployed troop. I know from personal experience that every letter I received was a boost to morale that I happily honored with a reply. Simple gestures go a long way.

Remember Everyone Deployed.

## A Journey through the Rules of Golf....

Continuing in Section Two of our journey, ***Taking Relief***, we will be discussing the topic of Loose Impediments and Movable Obstructions.

Loose impediments and movable obstructions are two categories of items that the Rules do not consider part of the challenge of playing the game, and therefore they can be moved. Loose impediments are unattached natural objects such as sticks, leaves, twigs, and blades of grass so long as they are not fixed or growing, solidly embedded in the ground, or sticking to the ball. Movable obstructions are artificial objects that can be moved with reasonable effort such as water bottle, scorecard, broken tee, trash can, bench, etc.

Loose impediments and movable obstructions can be moved any where on the golf course, including in bunkers and penalty areas, even when your ball also lies in the bunker or penalty area. If your ball moves when moving a movable obstruction, there is no penalty and you simply replace the ball. However, you will need to be careful when moving loose impediments because if that causes your ball to move, you will get a one-stroke penalty and must replace your ball. The only time a penalty does not apply is if your ball lay on the putting green when moving a loose impediment caused it to move.

Here are some frequently asked questions from our members:

Can I remove stones in bunkers?

Yes, Stones are loose impediments and you may remove any loose impediments that are in a bunker, even when your ball came to rest there (see Rule 12.2a). But, you'll want to be careful that your ball does not move if you move a loose impediment or you will get a one-stroke penalty, and must replace your ball.

Can I remove a loose natural object, like a leaf (loose impediment) in a bunker? What about an artificial object, like a water bottle?

A loose natural object is a loose impediment and may be removed anywhere on the golf course (see Rule 12.2a). But, be careful, if your ball moves you will get a one-stroke penalty and must replace your ball. An artificial object is an obstruction. If it's movable, it may be moved anywhere on the golf course, including in bunkers and penalty areas.

Can I remove loose natural objects in a penalty area?

A loose natural object is a loose impediment and may be removed anywhere on the golf course. (This is one of the many changes that occurred in 2019) Be careful when moving loose impediments because if your ball moves you will get a one-stroke penalty and must replace your ball.

Can I remove sand and/or loose soil on the putting green?

Yes, Sand and loose soil may be removed on the putting green (see Rule 13.1c(1)). But, if you remove sand or loose soil anywhere else on the golf course, you may not improve the conditions affecting your next stroke (this means to improve your lie, area of intended stance, area of intended swing or line of play) when doing so.

Here are some Definitions that pertain to this section::

### **Loose Impediment:**

Any unattached natural object such as:

- Stones, loose grass, leaves, branches and sticks
- Dead animals and animal waste
- Worms, insects and similar animals that can be removed easily, and the mounds or webs that build (such as worm casts and ant hills), and

- Clumps of compacted soil (including aeration plugs).

Such natural objects are not loose impediments if they are:

- Attached or growing
- Solidly imbedded in the ground (that is, cannot be picked out easily), or
- Sticking to the ball

Special cases:

- Sand and Loose Soil are not loose impediments.
- Dew, Frost and Water are not loose impediments.
- Snow and Natural Ice (other than frost), are either loose impediments or, when on the ground, temporary water, at the player's option.
- Spider Webs are loose impediments even though they are attached to another object.

**Obstruction:**

Any artificial object except for integral objects and boundary objects.

Examples of obstructions:

- Artificially surfaced roads and paths, including their artificial borders.
- Buildings and rain shelters.
- Sprinkler heads, drains and irrigation control boxes.
- Stakes, walls, railings and fences (but not when they are boundary objects that define or show the boundary edge of the course).
- Golf carts, mowers, cars and other vehicles.
- Waste containers, signposts and benches.
- Player equipment, flagsticks and rakes.

An obstruction is either movable or immovable. If part of an immovable obstruction (such as a gate or door or part of an attached cable) meets the definition of movable obstruction, that part is treated as a movable obstruction.

**Movable Obstruction:**

An obstruction that can be moved with reasonable effort and without damaging the obstruction or the course.

If any part of an immovable obstruction or integral object (such as a gate door or part of an attached cable) meets these two standards, that part is treated as a movable obstruction. But this does not apply if the movable part of an immovable obstruction or integral object is not meant to be moved (such as a loose stone that is part of a stone wall). Even when an obstruction is movable, the Committee may define it to be an immovable obstruction.

**Please read Rule 15 to further your knowledge -**

Relief from Loose Impediments and Movable Obstructions (including Ball or Ball-Marker Helping or Interfering with Play)

Total Golfers: 22

Page 2

Report Execution Date/Time: 5/28/2021 3:27:44 PM

**Instructions for determining the Most Improved Golfer**

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A: 24.3 + 12 = 36.3 | Value B: 16.2 + 12 = 28.2

A / B: 36.3 / 28.2 = 1.128

Improvement factor: 1.128

# Canyon Lake Golf & Country Club Practice Facility

## Rules of Conduct

- Please practice from between the ropes
- Please be mindful of others when swinging
- Please aim at target flags only
- Please do not remove range balls from practice facility
- Please leave range ball buckets on the practice range

## Dress Code

**Please wear acceptable golf attire at all times**  
(Collared shirts, mock turtle necks, collared sleeveless tops, tailored shorts, slacks, skorts/skirts)

**\$40.00**

Cart and Green Fees not includ-

**FLIGHTED NET  
GAME**

Deadline for sign ups June 7th,2021

Linda Kamashian, Tournament Chairperson

# TVGL

Temecula Valley Golf League (TVGL) is underway. Currently after two rounds Canyon Lake is in 1st place with 21 points. However, the standings are tight and any match can move a squad up or down the standings. Only 7 points separate 1st and last (8th) place so every point matters.

On Thursday, May 20, Canyon Lake takes on Temecula Creek Inn, who is currently in 2nd place with 20 points. The good news is that the two toughest matches are out of the way. In round one, we beat Rancho California on their home turf 12-6. We will never have to face a club on their home turf again (unless in the final round). In round 2, we tied two-time league champion Redhawk 9-9. The bad news is that TCI will be another tough battle as they are almost always in the top 3. If our squad can tie or win, we should be set up to run the table.

## UPCOMING:

The June match will be at TCI against Tukwet where we will play as many TCI defectors as possible. The July match is at home against Temeku. We will try to get fresh blood and players with lots of strokes in this one. The August match is at Soboba against Hemet GC. We will try to get our bombers deployed here since Soboba is a long course with a few 400+ par 4s and a 560 yard par 5.

Jason
