President's Message *by* **Barry Talbot**

Welcome to the Club's second half kick-off. To begin with, let us all pray, or cross our fingers, and hope that the nasty Covid pandemic is controlled and doesn't worsen in the Fall. All of us, and our neighbors, face possible exposure to the virus that has become pandemic. Fortunately, for most of us, the risk remains low and nationwide procedures have been implemented in attempts to control the problem.

By now we all have determined which preventative measures we choose to follow closely and the best methods to resume enjoying the game of golf. Fortunately, the virus doesn't like the outdoors nor the warm summer months which bodes well for our favorite sport.

Your Directors have worked hard during the past three months to help make your golf experience safe and enjoyable during the necessary Covid modifications. Over the rest of the year we plan to return to more normal procedures: shotgun starts, traditional format games and tournaments, and get back to socializing with our friends and fellow members.

Our President's Cup, modified a bit, has begun and is now into the second and third stages. Tournament Director, Jerry Watson, will be sending out match results as the tourney progresses. The Club Championship is our major tourney and will be held July 10-12, hopefully with a shotgun start and our traditional awards banquet. Please sign up early if you want to participate in a great competition. Of course, the winners will have their names inscribed on the Championship Trophy and the Gross winner goes on to compete in the prestigious SCGA Tournament of Club Champions.

Due to Covid issues our club bulletin was last published in March and is now resuming in July. The April issue would have mentioned that the March Spring Kick-off & Four Ball tourney went off as scheduled. Each day was a bit damp and cold, Major Tourney Director Jerry Watson noticed that relatively fast play helped keep players warm but not so cozy. Our Social Director Rod Smith worked well with Alex and Amanda to make the Awards Banquet very enjoyable by providing a nice Burger Bar which included warm buns, fine quality meat, and a crisp salad.

Winners of the Four Ball SCGA Qualifier were:

A Flight – Gross, C. McCaffery / J. Keigwin

Net, G. Leathley / S. McCain

B Flight – Gross, D. Derse / J. Jernigan

Net, B. Gunter / J. Beecher (SCGA Qualifiers) *

Winners of Partner's Best Ball were:

A Flight- Gross, M. Sanders / R. Halsey

Net, M. Pinto / T. Furman

A Flight- net, J. Burton / R. Edwards

Net, F. Espinosa / J. Gomez

*For the second consecutive year a father & son team will represent our club at the SCGA Four Ball Tournament. Bobby Gunter and his son Jesse Beecher both played well and earned their advancement to the Qualifier. We all root for them to continue hitting the ball straight during the prestigious SCGA challenge.

Be safe and be well,

Barry

How does a general play golf?

**President's
Message**

Ina Pickard

Hope everybody is doing well. Unfortunately, the Club Championship, our Senior Tournament, our Member/guest and our President's Cup have been canceled due to Covid-19. With the loosening of restrictions on the Country Club, we are going ahead with our Couples Eclectic scheduled for July 14 and 21st. That's always a fun tournament and I think we could all use a little fun.

Our last SB&R tournament was played at Menifee Lakes in February. 21 of our ladies played. We wore our new team shirts for the first time and Babette took a group picture. You can view our club pictures at www.canyonlakecc.com. Click on "golf" and "Women's Golf Club." The next scheduled SB&R is in August at Yucaipa and most likely will be canceled. Our SB&R rep, Darlene Cortez, will keep us updated. Our garage sale was a huge success. Thank you once again, Ura and all the ladies who volunteered their time.

As of this writing, I don't know when we will be getting back to shotgun. I know it's hard on all of us doing tee times, we don't always get the time we want, but I feel very lucky to be able to be out playing our beautiful course. I am happy so many of you are participating and thankful that Pat has worked with us on our times. I really want to give a special thank you to Lorrie Applegate for the time she spends putting the teams together. It's not an easy task, especially with all the different requests she gets.

Going back to what was supposed to be in the Bulletin before the world stopped, our most improved golfer for February was Elaine Grady, one of our newer players who came to us from the Niners. Way to go Elaine. Our most improved player for May was Kathy Homewood. Good job Kathy!

I want to wish Ura a speedy recovery on her knee replacement surgery scheduled for June 29th. We'll miss her words of wisdom and her smiling face. Also, a speedy recovery to Babette, who is having shoulder surgery and still waiting for a date. We will surely miss her delightful laugh, but she will be back shortly. Cheryl Ritsema is in a rehab facility in Murrieta, where she is receiving speech and physical therapy following a stroke and is doing better.

We've lost so many of our golfing and TWG family. Our prayers go out to the families of Hub Watson, Art Froelich, Jerry Tennery, Bob Fairfield and Jim McGill. Jim's celebration of life is scheduled for July 9th and Bob's is scheduled for July 20th.

On a lighter note, remember, real golfers don't miss putts, they get robbed!!!!

10 Canyon Lake golfers win at SB&R golf Tournament.

Pictured here are the ladies from Canyon Lake Women's Golf Club that played in the San Bernardino/Riverside Women's Golf Association (SB&R) Tournament on February 27th. The Tournament was hosted by Menifee Country and included 95 players from 10 different SB&R member clubs. Ten members of the Canyon Lake Women's Golf club were winners, accumulating 70 points for the team. Points are accumulated throughout the year with cash prizes are paid out after the final tournament in November.

Canyon Lake Women's Club members of all handicaps may join SB&R to play in these fun "stroke play" events. Events are hosted each month by a different member club. Upcoming SB&R Tournaments will be hosted by:

- April 23rd at Jurupa Hills
- May 28th at Rancho Del Sol
- June 25th at Dos Lagos

TEMPORARY RELIEF FOR HOLE #13 POND

Hole #13 Pond is temporarily considered a **No Play Zone in Abnormal Course Condition**

The player must take relief under Rule 16.1b:

If a player's ball is in the general area and there is interference by an abnormal course condition on the course, the player must take free relief by dropping another ball in this relief area:

Reference Point: The nearest point of complete relief in the general area.
Size of Relief Area Measured from Reference Point: One club-length, but with these limits: must be in the general area, must not be nearer the hole than the reference point and there must be complete relief from all interference by the abnormal ground condition.

If the player is unable to find a reference point that is not nearer the hole, the player may drop another ball in the nearest designated drop zone.

Note: If your ball goes into pond it is a free drop as described above, no penalty. (YOU MAY NOT ENTER THAT AREA TO RETRIEVE YOUR BALL FOR ANY REASON.)

If you are inside the white lines around the pond, that is considered ground under repair and you may also take relief as described above.
