President's Message *by* **Barry Talbot**

Well, the pandemic is still alive and our weather is certainly hot. Most of us who have stuck around Canyon Lake are sweating but surviving...some helped a bit by early start times. We woefully regret that the Covid still prevents our shotgun starts and remind our players to drink a lot of water, or liquids, while on the course.

The weather this month is expected continue warm, with highs in the mid-nineties predicted for our September 12 and 13 Member-Member tourney. This big tourney will again be T-time starts, but please join us for a lot of fun, comradery, and great prizes. Our Pro, Pat Kemball, has contributed a portion of the T- prizes and also ironed out a deal with Srixon to provide us with several surprise awards. Of course, your Club will also deliver some special T-prizes...so join us for the event and sign up early. The cut-off for entering is September 9.

You may have noticed that our premier Stag Day event has been postponed, date TBD. Normally this very popular event is held in September, however, your Board voted to switch the dates with our Member-Member in order the increase the odds that reduced Covid restrictions will allow a better tournament. If so, that will enable us to enjoy a cool shot-gun start, socializing on the course, a delicious steak banquet, and close with our exciting and enjoyable prize drawing. Should restrictions not ease, then a demure tourney be substituted.

On a different note, Chuck Newsom has attempted to add some variety to our Wednesday games. Members seem to like the different games and Chuck would welcome any alternative game recommendations you may have; his phone number and email address are in the adjacent column.

Hope to see you at our Member-Member,

Barry

Golfer: That can't be my ball, it looks too old. Caddie: It's been a long time since we started.

Hi all,
Hope you're holding up okay in this hot weather. We still haven't been okayed to go back to shotgun, so we will continue to have tee times. Much as we all like to go out early in this heat it's impossible to put everyone out at the same time. I ask for your patience, and again, thank you to Lorrie for taking on the thankless job of assigning us our times. Also, please remember that our normal tee time when we were going out shotgun was 8:00 a.m. not 7:00 a.m.

We had our General Board Meeting August 4th on the Country Club patio so we could social distance. At that time your Board voted to move the Member/Member tournament to Tuesday, November 17, Saturday, November 21st and Tuesday, November 24th. We replaced the Charity Tournament scheduled for Saturday with the second day of our member/member. That's always a fun tournament and I hope you are all planning on playing. We also voted on the new Board for 2021. They are as follows:

Ina Pickard, President; Linda Kamashian, Major Tournament; Norma Yarbrough, handicap; Kathy Homewood, Tuesday Tournament chair; Kathy Voss, recording secretary; Lila Gann; treasurer; Donna Nunes, membership; Babette Stubbs, Corresponding secretary; Joanna Spiller, rules and Nancy Zimmerman, Social.

Congratulations to our Gross/Net winners for both July and August. For July, Norma Yarbrough shot a gross score of 91 and Linda Johnson shot a net 67. For August our newest member, Lauren Hambright, shot a gross score of 87 and Joanna Spiller shot a net 70. Great golf, ladies.

Our most improved golfer for July 1 through August 1 is Claudia Pinto, followed by Nancy Zimmerman, Linda Hudson, Kathy Voss and Elaine Grady. Keep up the good work.

As you all know, our yearly Pismo trip was cancelled due to COVID. At this time Joanna is still planning our trip to Henderson. It should be a fun time for everyone. The hotel has assured her they will refund our money if they are closed again due to COVID.

I'd like to extend a warm welcome back to Dawn Haggerty after her recovery from COVID. Hoping both Ura and Chuck Furry recover soon from their bout with this nasty bug.

It's hard to believe that in about 6 weeks our course will be closing for reseeding. Let's hope we are back to normal when we come back. In the meantime, remember, after drinking all that wine don't drive and don't even try to putt.

Stay safe and be well,

Ina Pickard, CLWGC President

Playing Hole #18 the Correct Way

What do I do when my tee shot on #18 goes into the penalty area on the right of the fairway?

First you must determine where the ball last crossed the margin of the penalty area. Once you have determined that point you may either take two club lengths from the point where your ball last crossed the margin of the penalty area or you may keep that point between you and the flagstick and go back as far as you like, but you may not go Out of Bounds, or you may replay from the teeing ground where you last played your tee shot. The penalty is one stroke.

Most times on #18 you will need to replay your tee shot with a one stroke penalty as it is difficult to see if the ball has crossed the margin of the penalty area from the fairway side of the hole. If you are not virtually certain that the ball has entered the penalty area from the fairway side you must replay your tee shot from the teeing ground, with a penalty of one stroke, so you would be playing your third shot.

Please see the diagram on the left and the Rule at the bottom to better understand the relief procedure.

If you would like further explanation please feel free to stop by the Golf Shop and I would be happy to answer any questions.

Respectfully,
Pat Kemball

Rule 17 - Penalty Areas

Purpose of Rule: Rule 17 is a specific Rule for penalty areas, which are bodies of water or other areas defined by the Committee where a ball is often lost or unable to be played. For one penalty stroke, you may use specific relief options to play a ball from outside the penalty area.

17.1 Options for Your Ball in Penalty Area

Penalty areas are defined as either red or yellow. This affects your relief options (see Rule 17.1d).

You may stand in a penalty area to play a ball outside the penalty area, including after taking relief from the penalty area.

a. When Your Ball Is in Penalty Area

Your ball is in a penalty area when any part of it lies on or touches the ground or anything else inside the edge of the penalty area, or is above the edge or any other part of the penalty area.

Continues on next page...

b. You May Play Ball as It Lies in Penalty Area or Take Penalty Relief

You may either play the ball as it lies without penalty or play a ball from outside the penalty area by taking penalty relief.

Exception – Relief Must Be Taken from Interference by No Play Zone in Penalty Area.

c. Relief for Your Ball Not Found but in Penalty Area

If your ball has not been found and it is known or virtually certain that it came to rest in a penalty area you may take penalty relief under this Rule.

But if it is not known or virtually certain that your ball came to rest in a penalty area and the ball is lost, you must take stroke and distance relief.

d. Relief for Your Ball in Penalty Area

You have the relief options shown in Diagram #1 17.1d (relief for yellow penalty area) and Diagram #2 17.1d (relief for red penalty area), each for **one penalty stroke**.

Notice of changes to our event calendar.

The Covid 19 pandemic continues to disrupt many of our events. Related health and social distancing restrictions have caused us to make the following changes to our events calendar:

September 12 Stag Day moved to November 14**.

September 16 picnic is cancelled.

November 14 Member-Member tourney moved to September 12 & 13.

** Should health restrictions not be eased by mid-September, we may be forced to cancel the Stag Day event.

During this very difficult pandemic period, your Board of Directors has maintained a goal to provide high-quality golf and social events for our members. Unfortunately, the unexpected social distancing requirements have negatively impacted that goal. The Board has continued our hard work to adapt to the Covid impact. We appreciate your understanding of the circumstances and hope all of our members avoid contact with this nasty virus.
