President's Message

by
Travis Montgomery

Our second major tournament of the year, the President's Cup is underway. First and second round matches have been completed, with losers in the first round moving to the Vice President's Cup flight. The winners of the President's flight and the Vice President's flight will be determined by Sunday May 27.

The Fiesta Day Parade will be on May 26 and the Men's Golf Club will be participating in their golf carts along with the Women's Golf Club, 9'ers Golf Club and the Tuesday Work Group. This is always a fun event with lots of candy to throw to the children lining the parade route. Plan ahead to participate.

The new Wednesday game format that allows all players to be eligible for the game, skins and hole-in-one is now in place and seems to be well received. Our golf course is in excellent condition and the greens have recovered nicely from the recent plugging. The early warm weather is already starting to awaken the Bermuda grass and the fairways are nice and thick. Handicap Chairman Chris Wilkeson says that handicaps are starting to come down with the warmer weather and improved condition of the golf course.

June will soon be upon us and on June 1 our Men's Club Championship tournament starts. It is a three day tournament on June 1,2 and 3. Watch for information from Major Tournament Chair Jon Evans and sign-up sheets in the Pro Shop.

The Men's Golf Club financially supported the development of an "Emergency Response Golf Cart" to be located at the Country Club. It is equipped with a defibulator and oxygen equipment and can be used to transport emergency medical personnel and/or patients. It is housed at the Country Club and will be on display following golf on May 2.

We lost a long time member, Tom Patterson, in April. Tom was an ardent supporter of the Wednesday golf game and will be missed. Our condolences go to the Patterson family.

It's election time for POA Directors in Canyon Lake and it's important that you review the candidates and vote for the candidate(s) that will be fair to the golf community. If you have not voted, please do so as soon as possible, no later than May 10. If you have any questions about the candidates, contact me or one of our CLMGC Directors. See you on the links.

Congratulations to our overall Presidents Cup Champion, Linda Hudson. Also to the First Place Flight winners Gerry Meeks, Ina Pickard and Linda Johnson. Thanks to all who participated. I want to thank Valerie Montgomery and Lorrie Sjomeling for running a great tournament. Also a thanks for Marilyn Murphy and Alice Ramirez for the great decorations.

The Club Championship started the 17th so this article will be in printing. I will announce winners in the next bulletin. Hope all played good & had fun.

Mary Burns is running the booth for the Family Matters Club "Club Rush". This booth is to advertise our club and events and programs.

Congratulations to the April's Most Improved Golfer Mary Burns. Also to the Low Gross Winner Marilyn Bridges and Low Net Winner Norma Yarbrough.

SB&R was at Jurupa Hills on March 22th. It was a rainy day and we had 5 ladies that finished playing out of 10 players we won 36 points with a total now at 146.

"Cruising Down the Fairway Aboard the USS Canyon Lake" Member Guest Tournament is May 11th, so get your guest and sign up to play. The Committee is working very hard to make it a success. So help them out by getting a donation for the tournament.

Mark your calendar for the change of the General Board Meeting. It is moved from the 1st to the 8th.

Darlene Cortez is in charge of the Fiesta Day Booth. And the parade is in the planning, so hope you will consider helping in the booth and riding in the parade.

May will end the POA election, and the new board will be taking on their new seats. We wish them success in making our community a continued "Paradise"

We have lost a dear friend, Barbara Albrecht. She has been a member of our club for a lot of years. In 2007 she was President of our club and had won Low Net of the year 2006. She was just a amazing woman, always made you feel welcome, talked to you like you had been friends forever. Our hearts and prayers go out to the family. Barbara, you will be missed and in our thoughts and prayers.

Canyon Lake City Championship Returning to Canyon Lake!

Our Men's Golf Club is working with the Pro Shop to restore the Canyon Lake City Golf Championship. Mark your calendars for October 6th and 7th. More information including the game format will follow.

New Emergency Medical Vehicle for our Course

The new emergency medical response vehicle has arrived at the golf course, in part, due to generous support from the golf community including; Men's Golf Club, Women's Golf Club, 9er's Golf Club and the CLAPPS. Thanks to Jack Wamsley who spearheaded the project we now have a specially built, customized golf cart that can transport emergency personnel to remote areas of the golf course when there is an emergency medical need. Other donors include the CLAMS, CR&R and AMR. The vehicle will be in service as soon as the pro shop staff is properly trained and coordination with the local fire department is completed. It will be on display after golf on May 2 and Jack Wamsley will be there to describe the vehicle and its capabilities at 1:15 p.m.

Canyon Lake Men's Golf Club...

Average Age..2018

Last year we computed the average age of our Canyon Lake Men's Golf Club. It's interesting to see how our average age has changed over the years. In 2016 the average of our membership was 70.1. Last year it dropped to 63.3 and now in 2018 the average is up to 69.

These surveys not only contain the average ages of the membership but also the number of members in the club for those years gone by. As you can see our Club reached it's maximum membership when in 2004 we reached a total of 463 members.

These figures are accurate to the extent that the information came from our 2018 Men's Golf Roster. The roster contains a list of 251 of our members. Eight of our members were not included in the Roster because they either joined after the Roster's printing deadline or in the case of eight who either chose not to divulge their age or the reported age was unclear. According to the Roster our club membership now stands at 251.

The "honor" of being the eldest member of our club still playing golf once again belongs to Mr. Hub Watson who turned 94 last March 11th. He is followed closely by your Club's Historian Jim Magill, Gene Brown, Tom Steinle, and Bill Miller who were all born in 1926. All of these gentlemen are still playing golf two or three times a week.

We determine the average age of our club by the total years of the 243 members, 16,752 and then dividing that by the 243. The results follow:

	Total Members	Ave. Age		Total Members	Ave. Age
2018.....	243.....	69.0			
2017.....	242.....	63.3	2002.....	427.....	66.2
2016.....	256.....	70.1	2001.....	451.....	*

Skins and Hole in One open to all Wednesday Game players!
 Effective as of Wednesday, April 11, both the **Skins** game and the **Hole in One** will be **open to all players** in the Wednesday Game. The Men's Golf Club Board recently voted to allow all players in the game to participate as follows: Players with an index of 0-28.0 must play from the Blue tees; Players with an index of 28.1-36.4 can play from the White tees; players with an index of 36.5 and greater can play from the Green tees. Adherence to this system will make all players eligible for all games.

Beautification Tournament Date Change

Due to scheduling conflicts we have had to reschedule the
CLAPPS Beautification Tournament to Saturday June 16

This is the only tournament that raises funds for our golf course with 100% of the money raised going directly to the beautification of the course
The golf course should be in premium condition in June so mark your calendar to join the fun and help our golf course

PLEASE REPAIR BALL MARKS!

Only YOU can prevent ball mark damage!

RIGHT!

1. Insert divot tool on the high side behind ball mark and push back toward the center
2. Do not pull up, twist or lift with the tool.
3. Push both sides of the ball mark into the center.
4. Gently tap the surface down with the putter.
5. Never use loosened turf for repair.

No damage to root system, healing start immediately.

WRONG!

Pulling up or lifting on the center or the sides will tear the roots and result in brown spots taking weeks for the surface to heal. Do not pull up or twist with the tool. This will only bring sand to the surface and tear the root system.

For a short video showing the proper method to repair your divots

COMMITTEE REPORTS

Greens Committee Linda Johnson - WGC Representative

Brightview has added an Architect to their staff who will be available to us if needed. New plants have been planted at the base of the new clock and around several tee boxes. The olive trees continue to be a problem and spraying is ongoing to contain their fruiting season. During the frost, a homeowner drove across #18, 11, and 16, causing tire marks. We must stay on the paths during the frost times. Hole # 4: A portion of the retaining wall at the tee has been removed and the broken cart path curbing has been removed from behind the green. Hole # 5: New plantings have been eaten, possibly by rabbits that live in the bushes in that area. Removing the bushes and new ground cover is being considered. Hole # 8: DG will be added to the walking path to the green. Hole # 9: The owl house in the palm tree has been taken over by bees. Mark will call a professional to remove them. Hole # 16: The curbing that is to be removed will entail additional work as to the growth of the turf up to the curb.

COURSE CONDITIONS

Mark Lauder: Golf Course Superintendent

The Bermuda grass is coming in and the mower is cutting lower. The furrows in front of the greens that the ladies club asked about were done to control unwanted growth in that area. This will no longer be done. The committee made a decision on the new tee markers: Mark will order from a local supplier and they should be here by next month.

Steve Schneider: Operation

The parking lot is still in planning but should be out by next month for bids. The committee hopes our parking lot can be done during the course closure in October.

Recommendation from the CLWGC: The OB markers on Hole 17 cannot be seen from the tee box. Can the area around the OB marker be cleaned out and additional OB markers be placed.

Sunshine Lila Gann

Ms. Gann reported Barbara Albrecht is at home resting. The family would appreciate meals and cards.
