## President's Message

by  
*Travis Montgomery*

We are three quarters of the way through the year and already starting to look at 2019. You recently received your ballot for the 2019 President and Board of Directors. Our Board members put in a lot of time trying to make our club operate smoothly and to the benefit of the membership. It's not always an easy job. Please take the time to return your ballot in support of those members who have been willing to step forward and work on all of our behalves.

Also, in the next few weeks, many of you will be receiving your Men's Golf Club membership renewal for 2019. Be on the lookout for your renewal notice and how to conveniently renew online.

The golf course will be closing for three weeks, (October 8 thru 28), shortly after you receive this October bulletin. Some members will be arranging golf during the course closure at area golf courses. We will try and alert you to these events so that you may participate if you would like. Valerie and I are heading to Florida and South Carolina to visit family and play some golf. Hopefully, we won't have to evacuate, due to hurricanes, like we did two years ago thanks to Hurricane Mathew.

When the course reopens on October 29 we will no doubt be confined to cart paths only for a period of time to allow the course to fully benefit from the overseeding. Your cooperation in protecting the course when it reopens will be beneficial to all. We should be back fully on the course in time for the Member/Member tournament on November 17 & 18. We will have great tee prizes, awards and lunch. The Member/Member is the traditional payback to the members from the Stag Day proceeds. The better we do with Stag Day the better we do with the Member/Member.

At our Christmas tournament on December 15 we will introduce the new President and Board members and thank those that have served the previous year. Mark your calendars for this tournament – December 15.

I look forward to seeing all of you when the course reopens and at the Member/Member!

Travis Montgomery

I want to congratulate the winners of the 3 day Member Member Tournament. The A Flight 1<sup>st</sup> place winners were Gross- Mary Burns & Julie Faia, Net was Marlene Cathro & Jeannette Williams; B Flight 1<sup>st</sup> place winners were Gross- KK Beecher & Judy Kim, Net- Lila Gann & Rita Wacker. Congratulations to all the other winners. It was an interesting and fun tournament especially the last day. I want to thank the committee, Rita Wacker, Marlene Cathro and KK Beecher for a great job.

For the month of October the 9er's having a Scholarship Tournament on the 4<sup>th</sup>, so it's open to anyone that wants to play. So sign up and support them for a good cause.

Our most improved golfer for August was Anita Fairfield. And our September monthly winner's was Cathy Barr for Low Gross and Maxine Whalen for Low Net. Great job ladies!

August was no play in SB&R, so we will play at Seven Hills on September 27<sup>th</sup>. Hope all you members signed up to play. October is money month and you have to have played 3 times during the year to win money. You can still sign up to play if you haven't got 3 games in, but you can't win money.

Our next tournament is the Jack & Jill on Sunday, November 12<sup>th</sup> 9:00 tee time. I hope in having a few weeks off from our course being closed from October 8<sup>th</sup> to the 29<sup>th</sup> you will be anxious to play in the tournament with your husband or another man. If you need a male partner we can find you one, just let the committee know. There are men in the men's club that always are willing to play. I hope while you are off those 3 weeks that you have fun and stay safe.

Membership Renewal is due November 30<sup>th</sup> so you will get your new renewal form emailed to you. When you get it fill out send to Norma Yarbrough or give it to her with your money.

I want to thank the Men's Club again for the invite to their annual picnic. It was another good turn out and good food.

Have a great October.

# 2019 USGA Rules

## Here are just a few rules changes that are scheduled to take effect on January 1, 2019

### **Ball Moved During Search**

Under Rule 7.4, if a player accidentally moves his or her ball while searching for it:

- The player will get no penalty for causing it to move, and
- The ball will always be replaced; if the exact spot is not known, the player will replace the ball on the estimated original spot (including on, under or against any attached natural or man-made objects which the ball had been at rest under or against)

### **No Penalty for Moving a Ball on the Putting Green**

Under Rule 13.1d, there will no longer be a penalty if a player (or opponent) accidentally causes the player's ball to move on the putting green.

The substance of this Rule change has already been implemented as of 1 January 2017 by authorizing Committees to adopt a Local Rule that eliminates the penalty for accidentally moving a ball on the putting green.

### **Standard for Deciding Why a Ball Moved**

Under Rule 9.2, the "known or virtually certain" standard (meaning at least 95% likely) will apply to all questions of fact about why a ball at rest moved:

- A player, opponent or outside influence will be found to have caused the ball to move if the player, opponent or outside influence was known or virtually certain to have caused it to move; otherwise it will be assumed that natural forces caused it to move. Play the ball as it lies.

### **Ball in Motion Accidentally Deflected**

Under Rule 11.1, for all accidental deflections, including when the ball hits the player or opponent or their equipment or caddies:

- There will be no penalty and the ball will be played as it lies (with limited exceptions).
- To address any concern that a player might deliberately position equipment to act as a backstop and potentially deflect his or her ball, there will be a penalty if the ball hits equipment that was positioned for that purpose (Rule 11.2a).

### **New Procedure for Dropping a Ball**

- How a ball may be dropped is simplified; the only requirement will be that the ball be let go from knee height so that it falls through the air and does not touch any part of the player's body or equipment before it hits the ground.

### **Time for Search Before a Ball is Lost**

- Under Rule 18.2, the time for a ball search (before the ball becomes lost) will be reduced from 5 minutes to 3 minutes.

### **Relief for an Embedded Ball**

The current default position in the Rules will be reversed:

- Rule 16.3 will allow relief for a ball embedded anywhere in the "general area" (that is, the area currently known as "through the green"), except when embedded in sand.
- But a Committee may adopt a Local Rule restricting relief to a ball embedded in those parts of the general area cut to fairway height or less.
- In taking relief, the player will drop the original ball or a substituted ball within one club-length of (but not nearer the hole than) the spot right behind where the ball was embedded.

### **Ball Played from the Putting Green Hits Unattended Flagstick in Hole**

Under Rule 13.2a(2):

- There will no longer be a penalty if a ball played from the putting green hits a flagstick left in the hole.
- **Players will not be required to putt with the flagstick in the hole; rather, they will continue to have the choice to have it removed (which includes having someone attend the flagstick and remove it after the ball is played).**

Saturday morning there was an 8 am Shotgun Start on the hottest day of the week but by all accounts that didn't seem to affect any of the players, especially the flight winners who were:

- Posts and ropes may be used to prevent driving and parking golf cars off the golf car path near the 2<sup>nd</sup> green;

- Thursday & Saturday Team Play – CLMGC teams and competitive courses are in place for both leagues.
- Canyon Lake City Golf Championship – October 6 & 7, 2018 – John Keigwin and Joe Kamashian are continuing preparations. Director Kamashian noted that the event will have divisions based on handicap groupings (4-5 handicaps each) for gross scores results.
- 2019 Nominating Committee Report– President Montgomery reported that the nominating committee of Gary Bradford, Joe Kamashian & Carlos Ramirez have proposed the following candidates:
  - ◇ For President – Jon Evans
  - ◇ For three (3) 3-year terms of Director – (1) Rick Halsey, (2) Chris Poland, (3) Andrew Quinn, (4) Tom Scudieri, & (5) Jerry Watson.
  - ◇ There were no nominations from the floor.
  - ◇ It was moved by Director Smith, seconded by Director McCain and approved that **“the above slate of candidates be accepted and that nominations close”**. President Montgomery will purchase and deliver stamps to Carlos Ramirez. Ballots will be mailed to the membership on September 25<sup>th</sup>.
- Use of “Half-Pops (half strokes)” for Calculation of Skins in the Wednesday Game – The five Wednesday games in August were evaluated using both the current full stroke calculation and the half stroke method. The “half-pops” method means that a natural birdie by a player who does not stroke on a hole, will not be tied by a par from player with a full stroke on that hole. The same would be true for a non-stroking player who gets an eagle. He would not be tied by a player with a stroke who gets a birdie. After analysis by Chuck Newsom it was determined *the half-pop game in essence is a tiebreaker. More skins are paid out but at a lesser amount. The half-pop game does not penalize the higher handicap because he maintains his advantage, but a half-pop game rewards good play no matter what the handicap level*. In short:
  - ◇ Nobody loses a skin with “half-pops” but the value of skins is slightly reduced;
  - ◇ We should be doing everything in our power to encourage the best golf possible and be rewarded for it. With “Half-pops” better play will be rewarded;
  - ◇ Unfortunately, our computer program cannot accommodate “half-pops” at this time.After considerable discussion, it was moved by Director Smith, seconded by Director Kamashian and approved **“to adopt a trial “half-pop” policy for scoring all CLMGC events commencing as soon as the computer program can accommodate “half-pops”**. Following the trial the results will be tabulated and the topic will be reopened for discussion.

**Executive Session** – at 3:30 PM, attending CLMGC members were excused and the CLMGC Board convened for executive session to discuss potential member discipline.

**Next Meeting:** Wednesday – October 3, 2018 – 1:45 p.m.

**Meeting Adjournment:** It was moved by Director Kamashian, seconded by 1<sup>st</sup> VP Wilkeson and approved **“to adjourn at 3:55 PM”**.

**Respectfully submitted:**
