Subject: North Ski Area Access & Picnic Area Project

Canyon Lake, CA – The Canyon Lake POA will be addressing the access issues at North Ski Area by replacing the steep and uneven paths with a new more level pathway from the parking lot.

The existing concrete walkways leading to the main dock and the steep concrete path from the street to dock will be removed. The walkways will be replaced with more even pathway from the parking lot. Additionally, stairs with a railing will replace the steep pathway. A 30 foot ramp with railings on both sides leading to the main dock will replace the existing aged wooden ramp. The picnic area will also be renovated with new tables, shade, and a concrete surface.

The Canyon Lake POA Board approved funding for this project in the amount of \$36,810 at the Regular Session Board Meeting on May 7, 2019. The Canyon Lake Ski Club generously donated \$5,000 towards this project. Work is planned to begin on October 21 and it is anticipated to be completed within two weeks. Following this project, the North Ski Area parking lot will be repaved as part of the Pavement Project.
