President's Message *by* **John Reed**

January has seen a little inclement weather in our area. We have had frost delays and days of much needed rain in Southern California. We as golfers don't really appreciate frost delays or cart paths only due to rain that has drenched our course. We should thank Mark Lauder for all the hard work to maintain our course during these difficult months. During the month I had the chance to play several different courses in the area and OURS is by far in the best shape. It is super important that we do our part. During cart paths only, a lot of people don't take their sand bottles out into the fairways to fill their divots. Please, I encourage you to help take care of our course by filling your divots and any others in the vicinity. Also, fix as many ball marks as you see on the greens. I have had an opportunity to play with quite a few different golfers on our course. I have encouraged them to do their part, and you should encourage your playing partners to do the same. I do want to give a shout out to Ron Bemol. I played with him last week. Ron has two sand bottles on his cart and I noticed every time he was waiting he was filling divots before and after his shots. We all can do this. Thanks for the example Ron.

For our handicap system to work we all need to play by the rules. It is important that we all record our scores the DAY WE PLAY and turn in a signed, dated, and attested score card. Golf is a game of integrity. You must police yourself. If you have a bad lie or your ball is in an unfilled divot you don't get to move your ball. If you ever saw the movie Bagger Vance, there is an example of the integrity we should all have on the golf course. The player sees his ball move and calls a penalty on himself while his caddie and his opponents try to convince him that the ball didn't move. He says it moved "I saw it move" and takes a penalty. This is the kind of integrity that we should have on and off the course.

As we approach February, here's hoping for better weather. Play by the rules, have integrity in golf and your life, and **FILL YOUR DIVOTS.**

John E Reed

Our first Board Meeting went well, despite the frost delay. I was so pleased to see you all, along with our awesome Board Members: We accomplished a lot of business: Ura presented the 2022 budget, which, after discussion was approved. Thank you Ura. Also, the Budget Audit Committee will be performing an audit of our books: They will have that report to you at a future General Board Meeting. Also approved was the Clubs participation in Pub Links: Jeanette Williams and Mary Burns volunteered to Captain the Team. Thank you Mary and Jeanette.

On January 10th our Ladies Golf Club hosted the quarterly Red Cross Blood Drive. We share this responsibility with other clubs in the community. Thanks to Ura Furry, Darlene Cortez, Ina Pickard, myself, Kathy Homewood and Kathy Voss, for helping make this event so successful. We appreciate your service.

The 'Beat the Pro ' will already have been played: I'm hoping Pat had a bad day, and you all doubled your wager in the pro shop. Congratulations to the winners.

The 'Elvis Themed 'Golf is Always on My Mind' Valentines Tournament is next on our tournament schedule. This 4some scramble from the Green Tees is always a fun event. Anne Norris, KK Beecher, Linda Kamashian and I have chaired this event for about 13 years: every year we try to come up with new ideas to provide a fantastic day of golf for our Club. So get your team together and sign up in the pro shop.

Our next Board Meeting is a General Board Meeting. You are able to participate, and vote in this meeting. A few items on the Agenda are: Standing Rule L, how tournament prize money (scrips) are paid out when a tournament is canceled and there is no possibility of play. If a tournament is started and canceled before play is completed, names will be drawn for payouts. Your comments are appreciated on this item. Also, on the Agenda is the Christmas tree. The POA will not be putting the trees in the Median Strip next year. We would like suggestions from you on this item as well.

If you have any questions or concerns please contact me or any Board Member. We are here for you. See you 'On the Course'.

He met his wife Barbara in 4th grade and they started dating in high school and have been together ever since, marrying in 1970 while he was a student at the University of Redlands. They have three children and seven grandchildren. After graduating from U of R, Chris went on to graduate school at Stanford University earning a MS in Structural Engineering.

After Stanford, Chris went to work for the only company he ever worked for – *Degenkolb Engineers*. He started his career as a designer and at age 39 and was elected CEO, a position he held for 21 years until his retirement in 2014. Chris is recognized nationally and internationally for his expertise in the development of standards, codes and guidelines in structural engineering, particularly regarding earthquakes. He continues to work as an independent consultant.

Upon retiring and moving to Canyon Lake in 2014 Chris joined the CLMGC and became involved in the community. He previously served on the CLMGC Board as Publicity Director and on the POA Board for one term, including one year as President. He is also a member of the TWG and in his spare time he and

Barbara enjoy traveling , attending the theater and concerts. **Your Secretary – Chris Poland**

Ted Smykla – Handicap Director

Born on the 4th of July in Pittsburgh, PA, Ted has been setting off fireworks ever since. He is an US Army Vietnam Veteran and was awarded the Bronze Star. After Vietnam, he returned to Pittsburgh and earned a BA and MA in Business Administration. He started his working career as a computer operator when most people didn't know what a computer was. Working his way up the ranks, he ended his career as the Chief Information Officer for several Fortune 500 companies. During his working years he travelled to 49 of the 50 states, as well as Jamaica and Canada. (Ted will buy a drink for the first person that tells him what the one state is that he hasn't visited - one chance only and Bob Jacobson excluded).

Ted and his wife Lori have been married 52 years and moved to California in 1985 while he was working for ALCOA. He and Lori have two adult children and four grandchildren. In 2007 they move from Los Angeles to Menifee. An avid golfer, Ted was a member at Hacienda Golf Club for many years. He joined the CLMGC in 2018. In addition to golf, Ted's hobbies include automobile racing and riding his Harley Davidson, which includes multiple trips to "Sturgis".

Your Handicap Director – Ted Smykla

In 2020, they purchased a home in Canyon Lake. "We found the community of Canyon Lake to be very welcoming and most certainly one of the most interesting and unique places we've been".

Mike worked 36 years for the same company manufacturing medical devices, ventilators, lung function diagnostic systems, sleep diagnostic system, etc. His job in manufacturing, engineering and service required him to travel to many foreign countries, the Netherlands and Germany in particular, as well as throughout the United States.

Mike was appointed to the CLMGC Board in 2021 to serve as Membership Director and elected to the Board in 2022. **Your Membership/Rules Director – Mike Pinto**

2022 USGA rules for Handicap reporting

The game of Golf is the only game that relies on each golfer to maintain the integrity of the game by honest and fair play as well as the accurate and timeliness of posting scores. What follows are the current handicap rules for posting per the USGA. After you review these rules if you have any questions please reach out to me for clarification.

- Each round of golf must be posted by midnight of the day the round is played. This new rule is driven by the change that handicaps are being updated daily. (Rule 5.4 of Handicapping). After one warning of noncompliance the player will be subject to a penalty round. The penalty round will be posted as the lowest round a player has had over the last 20 rounds.
- To post an 18 hole round the player must complete at least 14 holes. Any holes not played after 14 must be posted as net par. If a player completes less than 14 holes but more than 9 a nine hole round should be posted. (Rule 2.2 of Handicapping)
- To post a 9 hole round the player must complete 7 holes. Any holes not completed should be posted as net par. (Rule 2.2 of Handicapping).
- Rounds played by yourself cannot be posted. A peer review must take place to confirm or challenge the score being posted. (Rule 2.1 of Handicapping)
- The maximum score for each hole is limited to net double bogey. (Rule 3.1 of Handicapping)
- For a score to be posted each score card submitted must be signed and attested. Noncompliance with be subject to disqualification during club tournaments. Without a properly completed score card any tournament questions or challenges cannot be addressed. We have had several instances where improperly submitted scores cards voided a valid rules challenge or dispute. Please get in the habit of always completing the score card correctly so it becomes second nature.

Hope this information helps in all of us ensuring the continuing integrity of the game.

Thanks.

Ted Smykla, Handicap Chairman.

Instructions for determining the Most Improved Golfer

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A: 24.3 + 12 = 36.3 | Value B: 16.2 + 12 = 28.2

A / B: 36.3 / 28.2 = 1.128

Improvement factor: 1.128
