President's Message by John Reed

As I begin my third presidents' message, I feel I need to start off with an apology that really isn't an apology. The reason being is that as long as my term goes you all will continue to hear about the importance of filling your divots and any others in the vicinity. The Canyon Lake Men's Golf Club boards for the year is "Three (3) Sand Bottles a Day makes the Divots go Away!!"

Now to my message for the month. My message is a quote from Bobby Jones one of the best amateur golfers that ever lived.

"Golf means fellowship. It bridges the gap of generations. It is the only game I know where a father and a son may meet on exactly equal basis. Where the good player and the duffer may compete on the same terms. I know I can meet men a hundred times on a business or social footing and never know them. But once you go out on the golf course with a man and play the game with him, you know him. Golf to me has meant and always will mean a list of real friendships besides which all other successes of life are negligible. Of course, it's a great thing in my life. But the greatest thing in golf is friendship."

Bob Jones circa 1930

So come to the golf course. Play the game and have fun. But most of all enjoy the fellowship and friendships that you make out here. I know I have been blessed to become part of the membership of Canyon Lake Golf Club. I have made lifelong friends in just a few years and enjoy the fellowship with my playing partners each time I come to the course.

John E Reed

Please repair more than

Message**

Welcome to winter, 90 degrees and counting. The good thing, no frost delays, beautiful balmy days and the course is looking great. The Club's accounts have been audited and are in good order. Thanks to our Audit team, Lila Gann, Ura Furry and Elaine Grady. The "Golf is Always on My Mind" Valentines Tournament was a great success. I heard lots of laughter all over the course from the over 40 players. Anne Norris, Linda Kamashian, KK Beecher and myself, have been the committee for this event for over thirteen years. They have it down, each year coming up with a new theme and new ideas for the players. Our Pro, Pat Kemball, awarded all the prizes: both gross and net in three flights, Close to the Pin prizes in four flights. Congratulations to all the winners. The tee prizes were donated by KK and Jessie Beecher, the record albums were courtesy of TWG, and Anne Norris was our rosette napkin folder. The Country Club provided the baked potato Bar with dessert. Thanks to everyone who helped to make our day special. The 'Beat the Pro' is scheduled for the end of February. I hope Pat had an off day and you all doubled your money in the pro shop. The Club Championship is next up in March. I hope you will all sign up and have a chance to win a medallion or add to one you may already own. Your Board is working hard on their designated positions: Marilyn will be presenting a new rule every Tuesday morning at the meeting, Linda is getting the Major Tournaments off and running, Norma and Kathy H. are keeping you informed of handicaps and Tuesday play, KK is everywhere with her camera –"smile", Barbara has been keeping the meeting minutes, hope you are reading them, Sheri is welcoming new members, and Ura is keeping our accounts in balance. If you have any question please contact us.

Linda

A MESSAGE FROM YOUR CLUB HISTORIAN

Meet Your Newly Appointed Directors!

John Reed, President of the Canyon Lake Men's Golf Club has appointed the following to fill vacancies on the Board of Directors. Thanks go to these men for stepping forward to serve.

Bob Jacobson – Public Relations Director

Born in Great Falls, Montana, Bob graduated from the American High School in Japan and moved with his parents to Lake Elsinore in 1970. He has been a resident of the area ever since. Eighteen years ago, Bob and his wife Barb moved to Canyon Lake and built a house and he joined the Canyon Lake Men's Golf Club. Bob and Barb have a daughter that lives in Lake Elsinore and a son that lives in Menifee and five "wonderful grandkids".

Bob spent his working career in the construction industry. For ten years he built gas stations all over the country. He retired in 2019 after spending the last fifteen years working in the greater Riverside area for Dalke & Sons Construction. When he retired, he embarked on a three-month motor home trip across the United States and back. In May, he will fulfill one of his "bucket list" trips with a motor home trip through Canada and Alaska. This will provide an opportunity for him to fish and go off-roading with the Jeep he tows. **Your Public Relations Director – Bob Jacobson**

Vern Kelch – Social Director

Vern is a native of Granite City, IL. He and his wife moved to California in 1976 to be near family and warmer weather. They are the proud parents of two children and six grandchildren.

After a four-year stint in the US Navy as a Communications Electrician, Vern began a career in the food services industry, mainly in the meat department of the business. Once in California he worked for Boys Markets (a name out of the past for we Southern Californians) and Von's Markets. Vern's in a perfect position, with his food industry experience, to be in charge of our tournament meals.

Vern says he and his wife "love Canyon Lake, have the best neighbors ever and that they truly enjoy the friendship of the all the golfing community". **Your Social Director – Vern Kelch**

David Seymour – Tournament Director

David is a native Southern Californian, having been born in West Covina. He spent his formative years in Chino Hills, graduating from Ayala High School. He and his wife Jaimie have been married for four years and moved to Canyon Lake two years ago. They have two children, Makaila and Brando. You may see Brando practicing his golf skills at the Country Club, sometimes even "caddying" for his dad.

Many of us know David from his duties as the First Assistant Golf Professional at Canyon Lake Golf & Country Club. David has been a member of the Men's Golf Club for two years.

When asked about his hobbies, David responded "*I have two active children with short attention spans. My hobbies are keeping them involved in as many of their own hobbies as possible*".

Your Tournament Director - David Seymour

Randy Moore Tournament Co-Director

A native of Indiana, Randy moved to Escondido, California in 1975, shortly after his discharge from the United State Marine Corps. He moved to Canyon Lake in 2015 from Escondido and he joined the Men's Golf Club a couple of years later. Randy and Julia have been married for four years and he is the proud stepfather of Julia's three children. Randy was a union carpenter for most of his working years and finished his working career as a carpenter at the San Onofre Nuclear Power Plant. When not playing golf, Randy enjoys hiking with Julia and working on projects around the house.

Instructions for determining the Most Improved Golfer

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A: $24.3 + 12 = 36.3$ | Value B: $16.2 + 12 = 28.2$

A / B: $36.3 / 28.2 = 1.128$

Improvement factor: 1.128

Q. I am a member of multiple clubs, why do I have to designate a "home club?"

A. You must have a designated home club to ensure that your Handicap Index is managed in accordance with the Rules of Handicapping. By designating a home club, everyone involved in the dispute resolution process (if one arises) knows which club and corresponding Allied Golf Association is responsible for making a final decision. The selection of a home club should be based upon where you play most frequently for proper oversight purposes.

The Handicap Committee at each club will have access to your scoring record and have the ability to correct any errors or omissions. However, the Handicap Committee at your home club is responsible for making any adjustments to your Handicap Index.

In addition, the designation serves as the trigger to update the Handicap Index at 12:00 midnight local time based on the location of the AGA that the home club is affiliated. (Rule 1.4b, Rules of Handicapping)
