Canyon Lake Men's Golf Club Mission Statement

Promote Honesty and Integrity in the game of golf.
Promote the enjoyment of, and participation in, the game of golf for all members. Arrange games and tournaments that are fun, fair and inclusive. Provide financial disclosure and administer the Club's assets in a professional and business like manner.
Promote sportsmanship and care for the golf course.

President's Message *by* **Tom Scudieri**

Our Stag Day tournament was a GREAT time and a GREAT success. Thanks to Jesse Beecher for all the golf activities and thanks to all our sponsors. Also, thanks Vern Kelch & Fred Espinoza for the food & drinks, all the board members for their help with the sign in & set up and to Joe Kamashian & Travis Montgomery for their help with the cash drawing. Because Stag Day was successful the Member/Member tournament will be notable. The picnic was on September 27th. We had 90+ members and guests attend. The food was good, and the drinks plentiful. It was an enjoyable time for all that attended.

The month of October is a slow month for golf. The golf course is closed from October 9th through October 30th for overseeding. Remember, when the course reopens, it will be cart path only for a few weeks. With the course being closed it gives us an opportunity to play other courses in the area and there is also the Hendersen golf trip.

When we return, we have the Monster tournament on November 8th, and the Member/Member tournament November 18th & 19th. Remember to sign up early.

Our next board meeting is October 4th. Hope to see you there.

Tom

President's Message

By
Linda Johnson

Fall has officially arrived, with cooler weather for golfing and gathering. We have several events on our calendar before the course closes on October 9th. As I write this letter, the three day Member-Member Tournament is ongoing. I want to thank the committee for all their efforts to make this a fun event for all who participated. Also, I thank everyone who did participate this year and congratulate all the winners.

The 9ers Super Star Scholarship Tournament was last week. It was a great success for our community. I praise them for all their efforts; thank our members who helped and those that played. Good job 9ers.

The Men's Stag Day Tournament was also played this month. They had over 100 players this year. Jesse and his committee managed this event for their club, asked for our help and I thank our members who volunteered to assist with hole monitoring, serving drinks, and selling tickets. It was a win/win for both clubs.

Our Super Star, Junior Golf Member, Breanna, was interviewed by Channel Two, CBS, this month. The program is scheduled to air this month. I will keep you posted.

Up-coming in October: our slate of officers for our 2024 Board will be elected at our October General Meeting. The C.L.A.P.P.S. Fall Classic is this month in Las Vegas, always lots of fun. The Appreciation Luncheon, hosted by this year's board is on the 14th. and SB&R is on the 26th. The next Tournament is our Turkey Shoot on November 21st. This is our last Jack and Jill of 2023. And finally our Christmas Installation Tournament, December 12.

I hope you have a Happy Halloween and I look forward to seeing you all when we open back up after over seeding.

Linda

Steve McCain shot a 68!!! on Wednesday a couple weeks ago...one under his age...kind of an out of body experience he said. Had 25 putts...4 birdies and one bogey. Ranks right up there with his hole in one.

"Bruce Wallace, our 2021 Club President, scored his fourth Hole-in-One during the Wednesday Game on September 20, 2023, to claim the HIO cash prize. Using a 5-iron from the Blue tees, Wallace hit a 123-yard laser that never left the Red flag. Landing just 2 feet below the pin, the ball hopped once and slowly rolled into the hole. This is his third Hole-in-One on the Canyon Lake Golf Course with additional aces on holes #8 and #11."

Instructions for determining the Most Improved Golfer

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A: 24.3 + 12 = 36.3 | Value B: 16.2 + 12 = 28.2

A / B: 36.3 / 28.2 = 1.128

Improvement factor: 1.128

Overseeding

It is getting close to that time of the year when we scalp the fairways, rough, tees and green surrounds and re-seed with new turf. What I am describing is the process of "Overseeding". Many of you have been through this process in the past but there may be some who do not understand why it is performed each year. In the following paragraphs I will explain why we do it, why it is so important to close the course for 20 days and why we only overseed certain areas

When golf courses are designed for the Southern California Region the architects will typically specify that tees, fairways and roughs to be planted with a warm season turf species of *Cynodon dactylon* (bermudagrass). Bermudagrass is chosen because of its heat tolerance, drought tolerance, rapid recovery rate and nominal fertilizer requirements. The one downfall with bermudagrass is that as the hours of sunlight decrease and the temperatures drop, the turf will begin to enter into dormancy. This is usually during the winter months of November through February. To disguise the brown color of dormancy, golf courses have chosen to overseed their bermudagrass with a variety of cool season turf known as *Lolium perenne* (perennial ryegrass). Perennial ryegrass is the overseeding turf of choice because of its rapid establishment and its dark green color. This is where we run into trouble. As the name states, Perennial ryegrass is a perennial, meaning that it will survive for more than one season if conditions are favorable. Favorable conditions include ample moisture, afternoon shade and mowing heights of 1" or above. Because of this the turf at Canyon Lake has a mottled look where perennial ryegrass from previous seasons has made it through the year and has out-competed the bermudagrass. As summer temperatures climb above 86°F the perennial ryegrass will begin to burn out leaving thin areas throughout the course. Once the perennial ryegrass has died, it will not come back and must be re-seeded. Therefore, the course is overseeded every year to maintain a uniform, dark green color and superior playing conditions for the majority of the year.

There are several important steps involved in the overseeding process. First is seed-bed preparation then seed application followed by seed germination, seed establishment and finally the first cut. All steps require a certain amount of time to complete with a total time table of approximately 20 days.

Seed-bed preparation is very important and involves several steps that take 3-5 days to complete. Seed application will usually take 2 days with a day or two of touch up. Seed germination requires excess watering and takes on averages 7-10 days. It is extremely important to keep the seed moist at all times. The irrigation system will be turning on throughout the day to ensure that the seed remains moist. Seed establishment is the time period in which the seedling sends its root down into the soil and begins the uptake of nutrients. This time period is between 6-7 days after germination but may take longer. The final step will be the "first cut". The first cut on any seedling cannot be performed until that seedling is well-rooted into the soil. The first cut will also be at a much higher height than standard mowing heights.

As you can see the 20 days of course closure is a minimum requirement and is based on a best-case scenario. All areas that have been overseeded must remain wet for several days in order to germinate the seed. The irrigation system will be programmed to water several times throughout the day ensuring that the seed stays moist. For this reason, the golf course must be closed to traffic. When the golf course re-opens the juvenile seedlings will be weak and must be protected from cart traffic. Depending on the rate of establishment, the turf may or may not have been mowed for the first time. Golf cart traffic is the primary cause of turf damage therefore carts must remain on the cart paths during this particular time. Expect carts to remain on the paths for approximately three weeks after re-opening. This will allow the new turf to become established before being subject to golf carts.

Before I get into the results - again I want to thank our GREAT sponsors - without them we would not have had these great contests, prizes, and drinks!

1st Low Gross - [Derek Jones + Trevor Jones](#) 58 (Great Golfing!)

You can see all the results here: <https://www.golfgenius.com/gqid/uyvfpn>
In every flight the difference between 1st, 2nd, and 3rd was 1 stroke!

Our after golf events - we had two contests.

CONTINUES ON NEXT PAGE

Hole 11 - Closest to any of the 4 pins - Sponsored by Warren Packaging! Players hit shots from the green tees at \$5 per shot.

Red Flag - Marcus Schonabaum

Middle Flag - Jim Heilman

Blue back Left - Trevor Jones

Blue back Right - Brett Geer

Putting Contest - Sponsored by Team Play & Pat Kemball. Pat and his staff setup a very challenging 5 hole putt putt course and we had over 70 rounds played. We had 4 players finish with a score of 8.

Jesse Beecher

Brian Boothby

Ron Bemoll

Corey Heard (guest of Joe Wood)

We went to a sudden death playoff and Ron Bemoll was our winner!

Thank you to our Team Play Members - myself, Mark Wagoner, Ron Bemoll, Marcus Schonabaum, Brett Geer, Collin McCaffery and Joe Wood for helping run the after golf events!

And thank you to all our ladies that came out to support our club. They had the "inside the circle" bet on 15 - and I am proud to say that NOBODY was able to get it inside the circle to a flag that was dead center of the green. Next year I am going to ask that they make the circles bigger!

After all the golf events - we had a great dinner - if you did not make it - you missed out on the Flintstones sized beef rib.

Here are the rest of the winners.

Guess the # of tees

We had two players - David Campbell and Don Potenza tie and split the pot.

There was something like 1064 tees.

50/50 Board Winners;

Gary Bradford - \$ 5.00 Board ; \$ 250.00

Tim Schamber - \$ 10.00 Board: \$ 500.00

Joe Woods - \$ 20.00 Board; \$ 1,000.00

Raffle Winners:

Michael Bazaidua - \$ 250.00, Ticket 100

Cody Baxter - \$ 500.00, Ticket 118

Fred Espinosa - \$ 750.00, Ticket 97

Jesse Beecher - \$ 1,500.00, Ticket 9

Matt Dominguez - \$ 5,000.00, Ticket 97

Again, thank you for participating this year and supporting our club.

Our next and final big Tournament of the year is just around the corner.....

Member/Member November 18th and 19th.

See you there!

Notes on 1973

Annual green fees were announced by the POA. They were as follows:

\$3.50 for 18 holes, \$2.00 for nine holes, \$2.00 for 18 holes after 3 PM during the summer. and after 2 PM in the winter. \$20.00 per month for the first member of a family and \$10.00 per month for the second member. Annual fees were \$190.00 for the first member and \$95.00 for additional family members. Cart fees were \$7.00 for 18 holes and \$4.00 for nine Holes. Private carts were charged \$1.00 per day or \$50.00 for the year.

This was the year Shorty Grimm started an early Saturday morning group he called the "Early Birds".

Ninety members and guest turned out for the annual "Installation Dinner Dance".

Charter Member Roger Calvin (he was in high school when he joined our club) won the State Junior College Championship in May. He followed this up by winning the Orange County Invitational at Willowick Country Club in June with three straight 69's.

The POA announced green fees for the coming year. They were as follows:

\$3.50 for 18 holes, \$2.00 for 9 holes, \$2.00 for 18 holes after 3 PM during the summer and after 3 PM in the winter. By the month the fees were \$20.00 for the first family member and \$10.00 for additional family members. Yearly fees were \$190.00 for the first family member and \$95.00 for each additional family member.

Ralph Brogdon, one of the founders of the club and it's Charter President, announced his plans to move to San Jose.

On Saturday, November 17th, the Men's and Women's Golf Clubs sponsored a "Rock Party". Volunteers picked up rocks left by the grading of the new number 15th fairway so that when the new grass, yet to be seeded, comes in the fairway will be clear of all rocks. The Men's Golf Club furnished free beer and pop and wheel barrows for hauling away the rocks. Unfortunately, the weather did not cooperate and the rain chased the volunteer's home after only an hour or so. However, some good work was accomplished in that short period of time.
