### Canyon Lake Men's Golf Club Mission Statement

Promote Honesty and Integrity in the game of golf.  
Promote the enjoyment of, and participation in, the game of golf for all members. Arrange games and tournaments that are fun, fair and inclusive. Provide financial disclosure and administer the Club's assets in a professional and business like manner.  
Promote sportsmanship and care for the golf course.

## President's Message *by* **Tom Scudieri**

The month of September is a great time of the year in Canyon Lake. Golf is great, the course is in good shape and it's a very busy time for the CLMGC. It's tournament season.

Our Stag Day Tournament is September 9th. The tournament looks to be a sellout. If you haven't got your tickets, now is the time to act. If you can't play in the tournament, buy a raffle ticket, you could win up to \$5,000.00. See any board member or the Pro Shop for tickets.

Our club picnic is on September 27th. As always, it will be a great time for our members and guests. The sign-up sheet is in the Pro Shop. Please sign-up ASAP. We need an accurate count of attendees, to order the food and drinks.

The course will be closed October 9th to October 30th. Don't worry, there is still the opportunity to play at the CLAPPS Henderson golf trip, October 16th through October 19th. Contact Gary Bradford or Bruce Wallace if you're interested.

After the course closure we have our Monster Tournament, Wednesday, November 8th, our Member/Member tournament, November 18th & 19th, and our Christmas Tournament, December 10th. This is the time of the year we need club members to step up and volunteer to become a CLMGC board member. Contact Gary Bradford if you are interested. Thursday and Saturday team play will be starting soon. The Thursday team captain is Billy Furlong, and the Saturday team captain is Jesse Beecher. Please contact the team captains if you are interested.

## President's Message

By  
Linda Johnson

As my time as your President Approaches, I reflect on the past two years with pleasure on all that we have achieved.

To name a few, increased membership, increased budget balances, updated Standing Rules, and adding our accomplished Junior Member Brianna Nobel. We have supported the Men's Club at their tournaments, donated to the 9ers Scholarship tournament, donated to the C.L.A.P.P.S Beautification Tournament, supported and donated to the Junior Golf Camp, and increased our budget allotment to the Christmas and Member-Guest Tournaments. "Whew and managing to play all our tournaments and in every SB&R play days, participate in Pub links enjoy the Twilights golf and dinner at the park, and play every Tuesday. We have supported our community by participating in the Fiesta Day Parade and Park Hopper. We have had a busy two years.

Valerie Montgomery, once again managed the check in and barbeque dinner for the Junior Golf Camp, this month. It was so very hot, over 100 degrees, but, Pat and his crew held a very successful camp again this year.

Our Nominating Committee, Maxine, Donna and Mary burns, announced the nominees for our 2024 slate of officers, at our General Meeting this month. They are as follows: President, Kathy Homewood, Major Tournaments, Ura Furry: Tuesday Chair, Mary Burns: Handicap: Ann Blay, Recording Secretary: Barbara Spraul, Membership: Claudia Pinto, Corresponding Secretary: Donna Nunes with KK. Beecher as back up, Rules: Marilyn Bridges, Treasurer: Gerry Meeks. We will be voting at our next General Meeting in October.

Save the date: October 14<sup>th</sup>. 11:30 to 2pm at the Senior Center for our annual Appreciation Luncheon. This is put on by the present board. Anyone who has supported the club this year will be invited. This includes Fiesta Days, managing a tournament, serving on any committee, supporting Junior Golf, etc.

As I write this Bulletin Message, my heart is in pain with the unexpected loss of my amazing brother, Don Norris. He was active in our golfing community, serving on the Men's Club Board, President and current board member of the TWG, married to our member, Anne Norris for over 46 years. He was a special friend to so many of us and will be missed by all who had the pleasure of knowing my brother. Annie and I want to thank the golfing community for all their love and support they have given us during this most difficult time. We are truly blessed to have you all in our lives.

Linda

### Instructions for determining the Most Improved Golfer

Add 12 to the player's Handicap Index at the start date. This value is A. Add 12 to the player's Handicap Index at the end date. This value is B.

Divide value A by value B, calculating to three decimal places. This is the improvement factor. The player with the highest improvement factor should receive the most improved player award.

#### Example:

Starting Handicap Index: 24.3 | Ending Handicap Index: 16.2

Value A: 24.3 + 12 = 36.3 | Value B: 16.2 + 12 = 28.2

A / B: 36.3 / 28.2 = 1.128

Improvement factor: 1.128

## **Wet Bunkers:**

**Drains in the bunkers have become clogged and the water from rain and irrigation drain slowly creating puddles and wet sand. The sand becomes quickly contaminated. If the bunker drains slowly, the water is bringing fines to the surface of the sand making the material more dense as water struggles to get through. Also, the sand breaks down because of foot traffic, raking and general bunker maintenance and causes a very fine silt. Overspray from irrigation mixes with the silt and creates a hardening effect. Additionally, dirt from the bunker floor becomes mixed with the sand along with golf course debris that blows into the bunker. When a bunker gets washed out it also brings foreign dirt into the bunker. Contaminated sand clogs bunker drains even more. This Winter's extreme rainy weather is also a contributing factor to the contamination. According to several golf associations (like the USGA Green Section), the life cycle of a bunker is 5-7 years. Currently our bunkers are approaching 8 years old since they were last re-worked, so it's not surprising we are experiencing drainage problems. However, the warmer summer weather should help dry the bunkers out in the coming weeks.**

## **Other notes:**

**Please ride two to a cart to decrease the amount of carts out there that cause compaction of our turf and please keep carts away from the greens and collars!**

***All, as members we need to not only protect and take care of our course by watching the outside players but we also have to obey rules ourselves. There's been several instances that I've seen members driving on the par 3's. If you're not handicapped stay on the cart paths!!***

What a crazy day. The finals of our President Cup and VP Cup were held this morning. The beauty of match play is that you only need to beat your opponent - and some days - when your not playing your best - you can eke out a win.

Maybe it was the heat, or the winds, or the 20-40 people in the gallery - either way the pressure was on today for the players battling it out.

First off before I get into the results - I want to thank everyone who came out. It was great to see so many people out there today to support our players. I think we had as many at 60 different people tune into the matches at some point. The 24 breakfast burritos might have had something to do with that. Thank you Kumo and Campbell for funding all the drinks - we had two beverage carts and a snack cart today. I also want to thank the players for cooperating with the scheduling adversity we had this morning. For those of you who were not here - Kumo was stuck at work all night and did not make it down there till 10am. Campbell graciously agreed to wait 2+ hours to start his match on the back 9. Tom and Jon went from playing as a twosome to a foursome at the turn.

### **VP Cup**

Jon Keigwin (79) defeats Tom Scudieri (86) 3&2. Jon got off to a great start winning the first 3 holes then hovered around up 3 and 4 for most of the front 9. Tom birdied 7 to get the lead down to +3 and squeezed out a win on 10 after both players found the water to get the match within 2. However, Jon was too consistent and never let Tom cut that lead down any-more. **Congratulations Jon! Our 2023 VP.**

### **President Cup**

Our 2nd match was a back 9 start as Kumo and Campbell joined our VP cup players at the turn. David Campbell (93) defeats Chris Kuminkoski (82) 4&3. As you can tell by the scores - these guys were not at the top of their game. Kumo was running on fumes - as he pulled an all nighter on his job and Campbell was able to take advantage. **Congrats to David Campbell! Our 2023 President Cup Champion.**

Thanks again to everyone that came out today. I think we are starting a new tradition!

**Stag Update - we have 32 teams signed up already. We hope to have 54 teams so we are more than 1/2 way there with just 4 weeks left. If you have not yet signed up - please do ASAP.**

Thank you  
Jesse

## **From your Historian ~ Septembers Past:**

### **September 11, 2001 ~ “We will never forget”!**

September is the month when many “**Stag Day**” tournaments have been held, the first one, 41 years ago in 1982. Up until the 2000’s, the tournament was known as the annual “**Golf Cart Stag Day**” tournament. First prize was a golf cart for many, many years, when you could still buy a golf cart for \$5,000 or less. Other prizes were golf merchandise with the Men’s Golf Club Bulletin of 40 years ago stating “...**revenue from the tournament was spent on improvements to the golf course, not big cash prizes to opportunity drawing winners**”. Conversion to cash winners started around 2010 as the price of golf carts outpaced tournament revenue. The 1983 tournament had an entry fee of \$50, including green fee, dinner and drawing ticket. Drawing ticket only was \$25.

**September, 40 years ago** ~ Bert Nafziger won his ninth and final Club Championship. Brandon Mojarro is tied with Bert at nine championships. *Better get going Brandon!* I know there’s support for you to take the lead, because I’ve seen signs in Canyon Lake that read “Let’s go Brandon”. The POA signed a 20-year contract with the EVMWD to provide non-potable water to 15 of the 18 holes on the golf course at a cost of one-fifth the cost of potable water, \$50/acre foot versus \$250/acre foot, a savings of a minimum of \$30,000 per year.

**September, 30 years ago** ~ The year was 1993 and the Men’s Golf Club was preparing for the 21<sup>st</sup> annual “**Golf Cart Stag Day**”. The minutes of the August Men’s Golf Club Board Meeting report that a presentation was made by the Canyon Lake Tennis Club seeking support to purchase land west of the current #17 green for \$15,000/acre to build two golf holes and housing and convert current holes 10 and 11 to build tennis courts that could also utilize the Country Club restaurant and clubhouse. The minutes further state “*No apparent support was afforded ... the presentation*”. “*The Californian*” newspaper (now the *Press Enterprise*) ran an article that “*Canyon Lake Country Club appears to be a low-score paradise for golfers*”. Then it went on to say “*But upon further inspection, uphill, downhill and sideway lies make the course more imposing and definitely more challenging*”. Things haven’t changed much through the years!

**September, 20 years ago** ~ Terry Miles was President of the Men’s Golf Club with a membership of 482. Zelda Dunn was President of the Women’s Golf Club with a membership of 204. Terry’s big push in his president’s report was support of “**Stag Day**” and Zelda thanked all of those that participated in the “**Rally for a Cure**” tournament that netted \$1,645 for the benefit of breast cancer research. The bulletin also reports that Dick Messer won the President’s Cup with a 20-hole play-off victory over Travis Montgomery. (***Those were the days!***) Golf pro Dave Lindeman reported that 304 junior golfers participated in the junior golf tournament.

**Marcus Schonabaum** set a new course record in August of 63. Marcus is still going strong! The “**After Lunch Bunch**” was going strong and still is. Current players at Canyon Lake Bullwhose names were mentioned often as weekly winners 20-years ago include Joe Washle, Dennis Franks, Kevin O’Leary, Ed Doidge and Don Raworth. These guys are like “Die Hard” batteries, they just keep going.
